COMMUNITY USE OF SCHOOL DISTRICT FACILITIES AND EQUIPMENT FOR PRIVATE PROFIT

The buildings and sites of the school district may be made available for a fee to local for-profit entities. Such use will be permitted only when it does not interfere with or disrupt the education program or school-related activity, and it is approved by the board. The board reserves the right to deny use of the buildings and sites to any group.

There shall be a written contract and proof of insurance coverage on file with the board secretary prior to the scheduled event. An employee member of the school district must be present at the event.

It shall be the responsibility of the superintendent to develop administrative regulations regarding this policy.
