## ENROLLMENT CONTINUES TO GROW

Enrollment in the Treynor Community School District increased by 24 students for the 2011-12 school year. The Certified Enrollment report was compiled and submitted to the Iowa Department of Education during the month of October. For the current school year we will serve 759 students in grades K - 12.

**Enrollment growth trend continues—  
Treynor will serve 759 students in 2011-12!**

Treynor has had an enrollment growth trend for many years. During a span of the last 15 years, we have been fortunate to experience an increase in enrollment 14 of those years. We continue to have a large number of students elect to open enroll into Treynor to participate in the outstanding academic and extracurricular programs that we offer. This year, 207 students, about 27% of the district's enrollment, have elected to attend school at Treynor.

### Special points of interest:

- ✓ Certified enrollment report has been filed.
- ✓ We will serve 759 students this year.
- ✓ Of the last 15 years, Treynor has had an enrollment increase all but one year.
- ✓ Approximately 27% of our students open enroll from other districts.
- ✓ Mark March 12-16, 2012 on your calendars—Iowa tests dates!

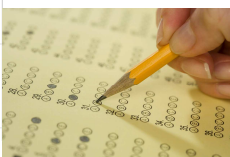

Our enrollment breakdown by grade level is:

## 2011-2012 IOWA TESTING

The Iowa Tests will be given K-11 during the week of March 12—16, 2012. Please mark those dates on your calendar as it would be helpful to have high attendance during that week to complete the battery of tests.

## CAUTION: Changes in weather arriving soon

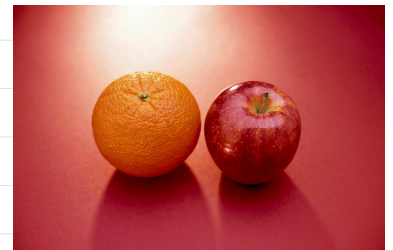

As the weather begins to change, school cancellations and early dismissals can occur at anytime. If severe weather causes school to be cancelled prior to the start of the day, we will try to have information to the media by 6:30 a.m. In addition to our school website, the media outlets that will carry our announcements this year are: **KMA, WOWT, KMTV and KETV.**

If weather or unforeseen circumstances (loss of power or water) should occur during the school day and school is dismissed early, PLEASE HAVE A PLAN IN PLACE WITH YOUR CHILD. When early dismissals occur during the day, we usually have limited time to get information out and many parents aren't aware that an early out has taken place. Also, we have over 750 students in the district and only a couple of phone lines in each building. Don't assume that your child will be able to call you if a decision is made to dismiss school during the regular day. Have a plan in place! The elementary has forms for each parent to keep updated outlining your family's specific plan to deal with this type of situation. Parents of middle school and high school students need to discuss with their child what plan of action they will take in the event of an early dismissal during the school day. Proper planning now will provide assurance to you and your child that all will be okay should we ever have an unforeseen early dismissal.

**COMING SOON:** *A new Parent Notification system has been purchased to allow Treynor school officials to communicate school cancellations, early dismissals, emergency information, activity schedule changes and general notices or announcements to parents in a timely and efficient manner. The vendor is currently working to get the new system up and running. Once the new system is active, parents will have the ability to sign up and select multiple methods for receiving notifications from the school (direct phone calls with recorded voice messages, text messages, emails, text-to-speech, TTY, Facebook, Twitter, and RSS). Be watching the website for updates regarding this new and exciting service.*

## JUNIOR CLASS FRUIT SALE

It is that time of year again for the Junior Class Fruit Sale. The class members have recently received their packets to start selling fruit. If your child is a junior, please check with them to make sure they have begun to sell and are on their way to meeting their individual goal. If you do not have a junior student and are interested in buying fruit, please seek out a junior class member to make a purchase. The orders will be delivered in mid-December.

The fruit is of very good quality and reasonably priced as well. The funds raised from the sales go toward Post Prom 2012 and other future activities that will be held for the 2013 graduating class. Your support is greatly appreciated! If you have any questions regarding this fundraiser, please contact Carolyn Umphreys at 712-566-9190.

# Great Holiday Idea!

## FROM THE ELEMENTARY PRINCIPAL'S DESK

Hard to believe the first quarter is already “in the books”. Your children continue to do such a terrific job and come to school well prepared thanks to your outstanding guidance! Our students experienced many noteworthy educational experiences this past month that included the first round of DIBELS testing, Elementary Book and Art Club meetings, Lunch with Mr. Larsen, 3rd grade trip to Botna Bend, Kindergarten Doughnuts for Dads, Fall Harvest party, Optimist Club 3rd grade dictionary presentation, 4-C Class of the Month pizza party, Pottawatamie County Conservation programs, Accelerated Reading Cardinal Cart #1, Red Ribbon Week, Scholastic Book Fair and Parent-Teacher Conferences.

November will bring many additional opportunities besides the ones mentioned above that include 1st and 2nd grade to Hansel & Gretel, UNO CAPOW Science Night and the 5th Grade Music Concert. Don't forget that progress reports will be sent home on November 23rd and that we have a 2:00 p.m. early dismissal that day for Thanksgiving vacation. All of us here at the elementary hope you have the opportunity to spend time with your family and loved ones!

Please continue to monitor the changing weather and make sure your children are dressed appropriately. This is the time of year when the temperature can change 30-40 degrees in the matter of a day or two.

Finally, we appreciate the wonderful attendance at parent-teacher conferences again this year. This participation and the level of communication we have established, allows us to stay well-informed and give our students the best possible chance at success. Thanks for staying involved with your children's education, for your contribution of time volunteering in the building, and for keeping your expectations high!

Please feel free to stop in and say hello or share your concerns anytime. You may also call or email those thoughts. [712-487-3422 or tlarsen@treynorcardinals.org]

Thanks for “being on the same page!” ☺

**Students learn to "Pay it Forward" and participate in Red Ribbon Week !**

The first quarter has been a very active and meaningful for all the students. The middle school students Cardinal Connections theme this year is "Pay it Forward". Therefore, the students have been doing just that through various opportunities within the building. We have felt that this is a great way of not only teaching, but demonstrating, service learning and how to be good citizens as well.

Middle school students also participated in "Red Ribbon Week" which is a National Drug/Alcohol Awareness and Prevention Program. As a kick-off activity, the students collaborated to create a photo video addressing the Red Ribbon Week theme, "I've got better things to do than drugs". During the week of October 24<sup>th</sup>, middle school students had designated school dress up days that coincided with this theme. The high school student council members created posters that hung throughout the high school hallways and also added a drug or alcohol related fact in the daily announcements.

In conjunction with drug and alcohol awareness, TS Bank provided the opportunity for all middle school and high school students and staff to listen to a dynamic speaker, Eric Samuel Timm. He spoke about how much of a difference one can make in others lives by simply listening and being supportive. Eric also shared the fact that we all have decisions throughout our lives and sometimes there are circumstances that are out of our control, but that we always have a choice on how to handle them.

In closing, I would like to extend an invitation to our Veteran's Day assembly. We will be having the assembly on Friday, November 11<sup>th</sup> at 10:30a.m. in the high school gymnasium and all community members are encouraged to attend.

## VETERAN'S DAY ASSEMBLY

## Treydor Community Schools

October 24, 2011

Dear 6<sup>th</sup> – 8<sup>th</sup> Grade Middle School Parents,

The Treynor Middle School Bank will open for business on Wednesday, November 9<sup>th</sup>. Every Wednesday during the lunch period students can make deposits into a savings account.

What does this mean to you and your student? She/he will now be able to participate in a unique savings program designed to teach students to be long term savers. Students who have existing TS Bank accounts or choose to open one will have their deposits credited to their individual account. Those who do not bank with TS Bank are also encouraged to participate as all money deposited will be maintained under a non-interest bearing Treynor Middle School account and information about each student's deposits will be maintained separately.

As this is a savings program withdrawals are not available at school. Any deposit amounts \$1 and higher will be accepted. When your student completes 8<sup>th</sup> grade you may choose to continue to participate in an individualized savings program or receive a check for the balance in your student's account.

As previously stated the bank will be open each Wednesday to accept student deposits. Each student will have their own savings ledger to record their deposits. Prizes are awarded to each student as they reach savings thresholds up to \$1,000. TS Bank account holders will also receive market rate interest on their accounts.

The goal of this program is to provide our students the opportunities to not only learn about savings and how banks operate, but to also become savers themselves. We are building a community of economists here at Treynor Middle School and want your child to become a savvy saver.

If you have questions call Bob Mantell, our Director of Financial Literacy at 487-3181.

Sincerely,

*Jenny Berens*

### Financial Aid Meeting for Seniors and Parents: Tuesday, Nov. 22

The annual Financial Aid Meeting for seniors and their parents will be sponsored by THS on **Tuesday, November 22, 2011 at 7:00 p.m.** Any senior who is considering post-high school education should attend no matter whether it would be a four year college, two year college, or one year technical school. Essential information on the financial aid process will be presented. The meeting will last about one hour. Packets of information will be distributed.

The Iowa College Access Network (ICAN formerly the College Planning Center) from Des Moines will be making a presentation covering the topics:

- Completing the FAFSA (Free Application for Federal Student Aid)
- Electronic processing
- Deadlines
- Overview of the financial aid process
- Types of financial assistance available
- Scholarships and scams
- Helpful tips
- Places to go for help

### What Needs to Get Done for College Now?

The fall is a busy time for seniors to get a lot of important things done for college planning. Here are some of the things that need to get accomplished in the fall:

1. **Complete and send college applications.** Applying does not commit a student to a college. It simply means that the student is interested and is seeking admission. Admission opens a communication line between the college and the student.
2. **Campus visits.** It is essential to get campus visits done before the December. In December the weather can turn cold and snowy, and college campuses begin to shut down for the end of the semester. Students involved in activities and athletics may want to plan around those activities before the schedule gets busy.
3. **Attend the Financial Aid Meeting at THS on Tuesday, Nov. 22, 2011 at 7:00 p.m.** It is a very important meeting to help students and families learn about the financial aid process.
4. **Register for a PIN (Personal Identification Number)** to electronically sign the FAFSA in January or February. Both a senior student and one parent should register for a PIN. Go to: [www.pin.ed.gov](http://www.pin.ed.gov).
5. **Organize for scholarship applications.** Students should write a resume that will list the activities that have been involved in the school and community, awards that they have won or achieved, community service activities that they have been involved. Assembling all of this information will make scholarship applications much easier.

6. If a student is admitted to a college, be ready to pay a housing deposit or enrollment (if needed) and look for scholarship information through the college as well as general scholarship searches: [www.fastweb.com](http://www.fastweb.com) ; [www.finaid.com](http://www.finaid.com); scholarship search through [www.ihaveaplaniowa.gov](http://www.ihaveaplaniowa.gov).
7. If you have other questions or want more information, go the counseling web page at <http://www.treynorschools.org> or the ICAN web site: [www.icansucceed.org](http://www.icansucceed.org) or call or email the high school counselor, Mr. Irvin.

**NIGHT AT THE WAX MUSEUM—NOV. 4 & 5**

The hysterical meets the historical in this comic romp through the wackiest wax museum in history! School's out for the summer, but not for six unlucky students who don't know much about history—they have to re-take the class in summer school. First year teacher Heather Fairchild has arranged for them to help her two aunts set up a new wax museum as a class project. Though the students' eyes glaze over with boredom, there's a twinkle in the wax figures' eyes when a mysterious incantation from the back of Cleopatra's bracelet brings them to life! King Henry VIII finds himself smitten with Cleopatra, making his queen, Anne Boleyn, furious. If she can just not lose her head, John Adams is there to serve as her divorce attorney! When Butch Cassidy, the Sundance Kid, Blackbeard and a bevy of lady pirates show up, everybody's out for one thing—treasure! Supposedly, there's a mighty valuable one

hidden in the museum! It's a wild goose chase to find it, with a greedy museum landlord and her bumbling son joining in the mad search. And why is Lizzie Borden lurking in the shadows, since the aunts say they never had a wax figure of her?! The magic of history comes alive—literally!

Show times are Friday, November 4th at 7:30 p.m. and Saturday, November 5th at 3:30 p.m. and 7:30 p.m. Ticket office will open 45 minutes before each show. Seating begins 30 minutes before each show.
