OPTIMIST YOUTH APPRECIATION PROGRAM

The Treynor Optimist Club will have their annual Youth Appreciation Program on Sunday, April 22 beginning at 3:00 p.m. at Zion Congregational Church. A reception will follow in the fellowship hall. Teachers nominate at least two boys and two girls in grades 7-12 to be honored. Other students, such as all state speech, art, etc., will also be recognized. Once a student is honored, he/she is not considered in any future year. Teachers receive a list of past honorees to avoid any duplication. The students introduce their family members and have a brief interview before receiving their certificates. The public is invited. This is the 28th year of the program.

FAMILY FITNESS IS FUN!

Utilize the extra daylight hours to keep your family moving and make fun memories together. Here are some ideas to get you started:

- * Roll up dad's socks and have a sock war
- * Play tag
- * Explore a new park
- * Play monkey in the middle soccer
- * Go swimming
- * Play hopscotch
- * Have wheelbarrow races
- * Play charades
- * Go on a photo scavenger hunt
- * See how many times you can throw a Frisbee around the family circle without dropping it
- * Discover who can hop on one foot the longest
- * Play leapfrog
- * Clean the house with music blasting
- * Play human bowling ball: Parent rolls on ground lying straight and children jump over you
- * See how many somersaults you can do in a row
- * Play hide and seek

It all starts with intention. What intentional action will you take to get yourself and your family up, out and moving more this spring?

FROM THE ELEMENTARY PRINCIPAL'S DESK

March started off beautifully and appears to be going out soggy. Our students are certainly starting to get some spring fever, but that hasn't kept them from participating in some fun and educational activities. Treynor Elementary students had a great month and purchased books from our Scholastic Book Fair, took part in the 7th Annual Elementary Night of the Arts, attended Intermediate Literacy Night, danced at the Cardinal Core's Elementary Dance and participated in TS Bank sponsored activities such as Financial Literacy and making deposits into their TS Bank's Cardinal Branch here at school.

April will prove to be just as busy with our Iowa Assessments for grades 3 through 5, 1st grade music concert, and our spring state-wide FAST testing. Kindergarten Roundup will be held on April 23rd.

We look forward to the warm days that April will provide and the activities that our students will take part in. As we begin to wind down the school year, please let me know if you ever have questions or concerns about your children's education. Feel free to call or email at any time, or schedule an appointment to meet. I can be reached at 712-487-3422 or jkay@treynorcardinals.org.

Thanks for all of your educational support and for making Treynor Elementary a wonderful place for everyone.

LAKIN OUTSTANDING TEACHER AWARDS

Charles Lakin was a well-known area philanthropist who was a native of Emerson, Iowa. He created these awards in 2008 to recognize teachers who “motivate kids to come to school each day, “ and see teaching as a calling, rather than a job. Over the last ten years, the Lakins have awarded more than \$360,000 to area teachers and their associated school districts.

This is the 11th anniversary of the awards whose purpose is to reward and acknowledge teachers who, “entice students to come to school every day”. This year there will be 4 awards of \$10,000 each—two for elementary school teachers and two for secondary school teachers. In addition, each recipient's school will receive \$2,500.

Eligible teachers must be certified full-time teachers or counselors currently employed in accredited Iowa schools with a minimum of three years continuous teaching experience in the same school. Nominations will be accepted through March 31 and can be made online by accessing KMA's website at this address: <http://kmaclosings.connections.net/lakin.php>

VOLUNTEERS NEEDED FOR TRACK MEETS

Treynor is hosting four track meets this spring:

April 9	Cardinal Relays @ 4:30
April 16	JH Relays @ 4:00
April 23	Cardette Relays @ 4:30
May 10	State Qualifying Girls & Boys @ 4:00

It takes a lot of volunteers to run a track meet well. If you would like to help at any or all of these meets this spring, contact Danette in the high school office, 712-487-3804 or dblackledge@treynorcardinals.org.

SPANISH CLASSES IN TREYNOR

Apart from learning the language, getting to know the Spanish speaking countries' culture is another important target for Spanish classes. Moreover, I would like to tell you about two activities on which we have worked and on which we are working in Spanish 1 and Spanish 2 classes:

PALOTEAO

"Paloteao" means "dancing with sticks" (palo means stick). It is a typical dance in some regions in Spain. Some towns or valleys have their own choreography using sticks. I selected a very special one, my mom's town song. Senegüé is a tiny town on the skirts of the Pyrenees mountain range, next to the French border. Though it has only 100 inhabitants, this town owns its song. This love story was supposedly written by a heartbroken soldier 80 years ago. His beloved woman came from Senegüé.

We worked on the song in Spanish 1. The students could learn some vocabulary while singing and dancing to it. When I proposed they dance to it during the Pops concert last March 13, twenty-seven freshmen volunteered. They were great and had a lot of fun.

PEN PALS FROM SPAIN

I was able to contact two different schools from Pamplona, my hometown, to get pen pals for all 6th graders (73) and all Spanish 1 (65) and Spanish 2 (54) students. One hundred ninety-two students have a Spanish student contact. They are exchanging information about themselves and their way of life. Therefore, 6th graders can practice what they learned about the Google Slides app at the same time that they learn about Spanish culture.

And, Spanish 1 and Spanish 2 students can practice their Spanish skills and know how Spanish high schoolers live.

Treynor FCS Classroom Update

Learn the FACS!

The FCS Room has been buzzing this semester with projects of all kinds in Clothing Design, Housing & Interior Design, Health, Early Childhood Education and Child Development Class. These courses and more, taught by Lori Burton, make up one of four Career and Technical Education Programs offered at THS.

Highlight: Pregnancy Empathy Bellies

Each year the Child Development students get to experience SOME of what it feels like to be pregnant. As a capstone to our prenatal development unit students wear the pregnancy simulators provided by the AEA for one school day while journaling the activities and experiences of that day.

The empathy belly helped me face the physical and mental challenges that pregnant women face every day.
- Kaylee

I sympathize with pregnant teenagers, having people constantly staring and judging...
- Clare

What are students saying?

The empathy belly was a lot more stressful than I expected it to be!
- Sierra

LAST DAY OF SCHOOL

As of now, the last day of school for the 2017-18 school year will be Friday, June 1 with an 11:00 dismissal. If school would be cancelled for any reason from now until the end of the year, then this date may be adjusted. Hopefully we won't encounter any more inclement weather!
