### **SMARTER BALANCED ASSESSMENT... COM- ING IN 2017-18**

As Iowa prepares to switch our state assessment test next school year, I want to share information from the Iowa Department of Education website pertaining to Smarter Balanced Assessment. This article is just a short overview of the transition to SBA. Please visit the Iowa DE website at [www.educateiow.gov](http://www.educateiow.gov) for additional information.

Iowa is on track to put in place a new state assessment in the 2017-18 school year that reflects our statewide standards in math and English language arts, provides better information about student academic growth, and fits with a broader goal of preparing all students for success.

In 2016-17, students will take the current state test while the Iowa Department of Education prepares schools for the transition to the Smarter Balanced Assessments.

#### **WHY THE TEST IS CHANGING?**

Iowa has articulated a vision of preparing all students with the knowledge and skills they need for success beyond high school. A critical part of achieving that vision is having clear, consistent statewide standards that outline expectations for what students should know and be able to do. We must have a state assessment that measures how well students are progressing toward those expectations and reflects what is being taught in classrooms statewide. When Iowa transitions to the Smarter Balanced Assessments in the 2017-18 school year, the assessments will provide better information to Iowa teachers and parents about how students are improving from year to year. This will help set the stage for improved student achievement.

#### **AN IOWA PROCESS**

A legislatively created Iowa task force, charged with studying options for a new state assessment, recommended the Smarter Balanced Assessments in December 2014 after more than a year of extensive research.

Based on the task force's recommendation, the State Board of Education in November 2015 adopted state administrative rules implementing the Smarter Balanced Assessments, which students will take for the first time during the 2017-18 school year.

#### **HOW THE NEW ASSESSMENT WILL BE DIFFERENT**

- ◆ The Smarter Balanced Assessments build on Iowa's work to put in place consistent statewide standards for what students should know and be able to do in math and English language arts. Because the assessments are aligned to Iowa's standards, they better reflect what is being taught in classrooms.

State assessment tests are changing!

#### **Special points of interest:**

- ✓ State assessment tests will change next year.
- ✓ Smarter Balanced Assessments will be given to grades three through eleven.
- ✓ Part-time school nurse is added to our staff—welcome Cory Young.
- ✓ Have a plan in place in the event of an early dismissal or no school.
- ✓ Hy-Vee receipts are being collected through December 31st.

## SMARTER BALANCED ASSESSMENTS CONT'D.

- ◆ In addition to subject knowledge, the new assessments will measure complex, real-world skills such as critical thinking and problem solving.
- ◆ The assessments are online and computer adaptive. By adapting to each student, these assessments present an individually tailored set of questions to each student and can quickly identify which skills students have mastered.
- ◆ The assessments provide a more detailed picture of student learning by providing specific information on which skills students have mastered and where they need additional support. They also help ensure students are on track for the next grade and, eventually, college and the workforce.

### **WHAT TO EXPECT IN THE 2016-17 SCHOOL YEAR**

Iowa students will take the current Iowa Assessments in math and English language arts while the Iowa Department of Education prepares schools for the transition to a new state assessment. Preparations will include professional learning for teachers and school administrators, ongoing outreach, and preparing schools to transition to an online/computer adaptive assessment format.

### **WHAT TO EXPECT IN THE 2017-18 SCHOOL YEAR**

Iowa students will take the Smarter Balanced Assessments in grades three through eleven in math and English language arts.

### **ABOUT THE SMARTER BALANCED ASSESSMENTS**

The Smarter Balanced Assessments were developed by a consortium of states, including Iowa, guided by the belief that a high-quality assessment system aligned to rigorous academic standards will improve teaching and will help prepare students for success.

### **Treynor CSD Expands Health Office Staff**

As student enrollment continues to increase, our district strives to expand course offerings, programs, services and staff to meet the needs of a growing student body. To meet the health needs of our students, the Treynor Board of Education took action this fall to expand our health office staff by adding a half-time school nurse at the MS/HS building. Cory Young has accepted the position and will begin working in the health office on December 1. Please welcome Mrs. Young to the Treynor staff the next time you see her.

Have a Merry Christmas and wonderful holiday season!!

Go Cardinals!

Mr. Elwood

*Merry Christmas*

## CASH FOR STUDENTS

The "Cash for Students" program has begun. Hy-Vee cash register receipts dated from September 1 through December 31, 2016 will be collected in the Elementary, Middle School and High School offices. Hy-Vee gives back \$1.00 for every \$200 spent in any of the fourteen Omaha and Council Bluffs locations up to a maximum of \$2,000. Over 403,000 in much needed funds has been donated to area schools as a result of this program.

All of our proceeds go to the Athletic Booster Club. Remember to save your receipts and turn them in to any of the school offices!

## CAUTION: Changes in weather arriving soon...

As the weather begins to change, school cancellations and early dismissals can occur at anytime. If severe weather causes school to be cancelled prior to the start of the day, we will try to have information to the media by 6:30 a.m. In addition to our school website, the media outlets that will carry our announcements this year are: **KMA, WOWT, KMTV and KETV.**

If weather or unforeseen circumstances (loss of power or water) should occur during the day and school is dismissed early, **PLEASE HAVE A PLAN IN PLACE WITH YOUR CHILD.** When early dismissals occur during the day, we usually have limited time to get information out and many parents aren't aware that an early out has taken place. Also, we have over 800 students in the district and only a couple of phone lines in each building. Don't assume that your child will be able to call you if a decision is made to dismiss school during the regular day. Have a plan in place! The elementary has forms for each parent to keep updated outlining your family's specific plan to deal with this type of situation. Parents of middle school and high school students need to discuss with their child what plan of action they will take in the event of an early dismissal during the school day. Proper planning now will provide assurance to you and your child that all will be okay should we ever have an unforeseen early dismissal.

Our student information database, JMC, will be used for all school notifications (voice, email, text). Please check your contact information to ensure it is up-to-date so you will receive these messages for school closings, late starts or early dismissals. Use the JMC Parent Access portal to check your contact information and make any additions or corrections as needed and to indicate how you want to receive notifications.

## HOLIDAY MUSIC CONCERTS

Fifth and sixth grade band students will be in concert on Monday, December 12th at 7:00 p.m. in the high school auditorium. Following their concert, sixth grade students will entertain parents, family and friends, also in the high school auditorium.

The 4th grade vocal concert will be held on Thursday, December 8th at 7:00 in the high school auditorium. Third grade will present a concert on Thursday, Dec. 15th in the auditorium at 7:00.

On Monday, December 19th, the junior high choir and concert band will have their concert at 6:30 p.m. in the high school auditorium. There will be a short break and the high school will present their concert at 8:00 p.m.

## FROM THE ELEMENTARY PRINCIPAL'S DESK

As the days have turned cold and continue to fly by, our students continue to perform well both in and outside the classroom. I have enjoyed getting to know the students and am learning more and more about them every day. I continue to be amazed by the level of respect students show to each other and to adults in the building. It is truly heartwarming. I feel blessed to be part of a school community with such great children.

Our students had a great month and were able to be involved in a multitude of activities. Included were Pottawattamie County Conservation Programs, student deposits in Cardinal Branch Bank, Treynor Optimist visit to 3rd grade, 5th Grade Veteran's Day Music Program, Cards for Success drawings, and Mrs. Tiark's Class of the Month pizza party. December will provide more of the same, plus 5th Grade Band Concert, 3rd and 4th Grade Music Concert and classroom parties.

December also ushers in the arrival of winter and the change in seasons so many of us dread. Please remind your children to dress warmly and make sure they are equipped with mittens, stocking caps, and boots on those treacherous days. Also, students are not allowed in the building until after 8:05 a.m., so please make an effort to see they are not here too early. FYI...our rule for indoor recess is 20 degrees or below when you factor in the wind chill.

Finally, a healthy school-community partnership is a common aspect of many successful schools. This past month we have enjoyed tremendous support from our families and community. Parent-Teacher conferences, field trips, classroom celebrations—the level of involvement has been inspiring. Thank you!

As always, please contact me if you have any questions, comments or concerns on happenings here at the elementary school!

Jillian Kay  
Principal  
Treynor Elementary

Middle School students participate in holiday meal donations!

The month of December is here and Christmas vacation is just around the corner. Over the first couple of weeks in December, Treynor Middle School students will help those less fortunate by providing Christmas meals. Students will bring in donations to their Card Pride teacher for gift cards that will be used by families to purchase a ham and then all students will bring in various items that will go along with that meal, including green beans, sweet potatoes, corn, cranberry sauce, stuffing, potatoes, gravy/muffin/cake mix, and jar of iced tea.. The student council has organized this event and it is our hope that our students reflect on how good it feels to help others in need.

On a final note, please mark your calendars for upcoming concerts. The 5th grade band/6th grade band and chorus Christmas Concert is scheduled for Monday, December 12th at 7:00 p.m. in the auditorium. The following Monday, December 19th, will be the 7th & 8th grade band and chorus Christmas Concert set to start at 6:30 p.m.

Happy Holidays!

Mrs. Berens  
Middle School Principal

## THOUGHTS FROM THE HIGH SCHOOL PRINCIPAL.....

### MR. McNEAL

As we transition from fall to winter, our students continue to do great things. The musical, "The Addams Family", was very well done and I congratulate everyone who was part of the performances on and off stage.

The Veteran's Day program was well attended. Thanks to the veterans, high school choir and to Bailey Anderson, Cole Weitzel, Emily Sutherland, Chase Reed, Zach Mass, Cameron Graber and Kyle Christensen for their parts in a successful tribute to all veterans.

Many high school students have volunteered for several activities over the past month.

- The National Honor Society collected candy left over from Halloween and shipped it to former Treynor students in the military and to Operation Gratitude which will give the candy to members of the military stationed overseas.
- Members of the Junior Optimist Club baked and shipped about 75 dozen cookies to "Treat our Troops". This organization will then distribute the cookies to members of the military serving overseas.
- Over 160 Special Olympic athletes and coaches from southwest Iowa, approximately 50 Treynor High School boys and girls basketball players and about 20 cheerleaders joined forces for a unified Special Olympics event hosted by Treynor High School. This is the third year Treynor has hosted this event and participation continues to increase.
- The Junior Optimists presently have a Winter Clothes Drive in progress with all donations going to the Open Door Mission.

The first semester tests will be held on Wednesday—December 21 and Thursday—December 22. We will run a bell schedule where classes meet for a longer class period. Class periods 1st through 5th will test on Wednesday—December 21 and 6th through 8th will test on Thursday—December 22.

When we return to school on Wednesday, January 4th, we will be back to regular classes and all grades will still be part of the second 9 weeks (1st semester) until that grading period ends on Friday, January 13th.

We wish you a very joyous holiday season and encourage you to attend the high school Winter Concert and winter sports events as they begin their seasons.

## TEACHERS ATTEND NATIONAL CONFERENCE

Five Iowa teachers had the opportunity to attend the 2016 Jump\$tart Coalition National Educator Conference held in Dallas, Texas, November 5—7. The annual conference provides PreK-12 educators with financial education resource, personal and professional development, access to a nation-wide network of colleagues, and general support for financial education.

The National Educator Conference is attended by more than 300 teachers, representing nearly every state. This year five deserving Iowa teachers were among the conference attendees thanks to the scholarships awarded at the 16th Annual Iowa Jump\$tart Educators Conference. Iowa's scholarship winners included:

- **Jennifer Anderson (Treyvor High School, Treynor, Iowa)**
- Debbie Claussen (Pleasant Valley High School, Bettendorf)
- JoEtt Cogdill (Woodbine High School, Woodbine)
- Kristy Nickolisen (Abraham Lincoln High School, Council Bluffs)
- Tia Shaffer (Independence Community School District, Arlington)

## TS COMMUNITY FOUNDATION

TS Community Foundation, formed in 1999, is an organization designed to help giving people accomplish more with their gift. The foundation is committed to developing long-term prosperity in the local communities, and a charitable process which gives donors more financial flexibility.

The TS Community Foundation has a board including Mick Gutttau as Chairman, Bob Mantell, Denise Wilson, Nigel Horton, Travis Castle and Judy Gutttau as Secretary. Mary Jewell serves as legal counsel and works for TS Prosperity Group.

“Our number one desire is to be a catalyst for positive change and growth in our communities for generations to come”, stated Mick Gutttau, TS Community Foundation Chairman.

TS Community Foundation is a conduit for a number of community projects, such as the Treynor Eagle Monument, the Optimist Playground project, and Vision Treynor which allows individuals and families to donate money that becomes a tax-deductible gift. TS Community Foundation also helped community members with contributing funds to the Splash Pad and Treynor band uniforms.

If you are looking for ways to give back, seeking tax-deductible options, or want to learn more about TS Community Foundation, contact Kristi Waffle at [kristi.waffle@tsprosperity.com](mailto:kristi.waffle@tsprosperity.com) or 712-487-0329.

## Kicking Off the Season!

As we celebrate the holiday season and reflect on what we're thankful for, I am so very thankful for the students here at Treynor High School I get to work with everyday in the Speech program. I often hear from former Speech participants that Speech is the extracurricular activity they use most in their adult lives. Learning to speak effectively, articulate your thoughts in both written and verbal forms and gaining the confidence to communicate to strangers is a skill that everyone needs, but few obtain before graduating high school. I'm so grateful to be a part of a program that gives these skills, and that kind of confidence to our students. This year, I'm also especially grateful to my assistant coaches, Julie Showalter and Travis Graham as well as some additional helpers, Bailey Riley, Erin Coughlin and Jennifer Anderson who have graciously taken on more responsibilities in preparing for Large Group Contest this year, as I am expecting our first baby in late December. I hope you all are able to see our Speech students perform at some point in our season. Please mark your calendars for Speech Night on March 28<sup>th</sup> where a selection of both Large Group and Individual Speech performances will be shared with parents, students and community members in the THS Auditorium after we serve a free will donation meal in the MS Commons.

- THS Speech Coach, Lori Burton
