Facility Planning Committee Holds "Kickoff" Meeting

A facility planning 'kickoff' meeting was held on January 25, 2017. The facility planning committee is comprised of 40+ volunteers made up of parents, grandparents, community members, school staff and school board members. The meeting was facilitated by architects from BCDM [Pat Carson, Bob Mabrey & Nick Bender] and Superintendent Elwood. The facility planning committee was provided an overview of the planning process and timeline, discussed the questions "How did we arrive at this point?" and "Why start now?", organized into planning teams focused on four specific areas and answered questions posed by committee members.

Facility planning committee formed, Kickoff Meeting held and plans formed to solicit additional input from district staff and employees!

Special points of interest:

- ✓ Treynor begins planning for next expansion project.
- ✓ If you would like to be involved, contact Mr. Elwood.
- ✓ Large group speech is sending ten groups to state contest.
- ✓ Speech State Large Group Contest will be held on Feb. 4 at West Des Moines Valley High School!
- ✓ Opportunity to volunteer for wellness committee.

The four areas the planning teams will review are: 1) Additional high school classrooms, counseling center, office and storage spaces 2) new auditorium and fine arts classrooms 3) update gym, wrestling room, weight room and locker rooms 4) transportation facility and creation of a student pick up lane at the elementary.

During the month of February, the architects will hold programming meetings with district staff members that work within the identified areas. In addition, a survey will be distributed to all district employees to gather additional input. Once these tasks are finished, the architects will schedule programming meetings with each of the facility planning teams toward the end of February or early March.

The facility planning process will be ongoing during the entire second semester to allow for input from a wide array of stakeholders. If you have questions, or would like to get involved with the process, feel free to contact Mr. Elwood at 712-487-3414 or via email at kelwood@treynorcardinals.org.

Another successful speech season underway....

The Treynor speech program continues to flourish under the direction of head speech coach Lori Burton. This year we have over 55 students participating in large group and individual speech. Due to the continued growth and hard work of our students and coaches the expectations are once again set high for our thespians. District Large Group was held at Abraham Lincoln High School on January 21. After a day of outstanding performances, 10 groups qualified for State Large Group. The State event will be held on February 4 at West Des Moines Valley High School. Congratulations to Coach Burton, our dedicated assistant coaches [Julie Showalter, Travis Graham, Erin Coughlin, Bailey Riley and Diana Crouch] and all the speech students on their success thus far. As Large Group starts to wind down Individual speech will be kicking off soon. When you get a chance, stop by one of the upcoming contests to support our speech students.

CAUTION: Changes in weather arriving soon...

As the weather begins to change, school cancellations and early dismissals can occur at anytime. If severe weather causes school to be cancelled prior to the start of the day, we will try to have information to the media by 6:30 a.m. In addition to our school website, the media outlets that will carry our announcements this year are: **KMA, WOWT, KMTV and KETV.**

If weather or unforeseen circumstances (loss of power or water) should occur during the day and school is dismissed early, **PLEASE HAVE A PLAN IN PLACE WITH YOUR CHILD.** When early dismissals occur during the day, we usually have limited time to get information out and many parents aren't aware that an early out has taken place. Also, we have over 800 students in the district and only a couple of phone lines in each building. Don't assume that your child will be able to call you if a decision is made to dismiss school during the regular day. Have a plan in place! The elementary has forms for each parent to keep updated outlining your family's specific plan to deal with this type of situation. Parents of middle school and high school students need to discuss with their child what plan of action they will take in the event of an early dismissal during the school day. Proper planning now will provide assurance to you and your child that all will be okay should we ever have an unforeseen early dismissal.

Our student information database, JMC, will be used for all school notifications (voice, email, text). Please check your contact information to ensure it is up-to-date so you will receive these messages for school closings, late starts or early dismissals. Use the JMC Parent Access portal to check your contact information and make any additions or corrections as needed and to indicate how you want to receive notifications.

FROM THE ELEMENTARY PRINCIPAL'S DESK

Another month in the books! Our students continue to perform at very high levels and have enjoyed many different activities including the second round of FAST testing, Invention Convention, Cardinal Branch Bank, K-2 Literacy Night and our second Accelerated Reading Cardinal Cart.

February proves to be very busy as well with our classroom Valentine's parties as the highlight. Finally, we have our last Box Tops for Education submission on February 28th, so please send those to school with your children as soon as possible.

As always, please feel free to contact me if you have questions, comments or concerns on happenings here at the elementary school!

BREAKFAST LOGIC!

Breakfast is a good thing! When students need to take achievement tests, schools strongly urge them to eat breakfast first on testing days. Why? Because we know that when students eat breakfast, they perform better and are better able to concentrate. Yet, on "normal" days, many students fail to eat breakfast; they're too busy, too tired, or just don't know what to eat.

Let's help students to perform better every day, by making sure they eat a healthy breakfast at home or at school.

OPEN ENROLLMENT DEADLINE

Parents/guardians considering the use of the open enrollment option to enroll their child/children in another public school district in the state of Iowa should be aware of the following dates:

March 1, 2017: the last date for regular open enrollment requests for the 2017-2018 school year, except for "good cause" reasons or kindergarten applications.

Kindergarten applications must be filed on or before September 1 of the school year in which open enrollment is requested. (September 1, 2017 for the 2017-2018 school year).

For further details, contact the school Superintendent's office at 712-487-3414.

Middle School students encouraged to be “Kids of Character”!

As we all know, it is never too early to begin teaching children how to be caring, confident, self-aware and respectful of those around them. Parents are a child’s first teacher in teaching character lessons and those of us in the educational environment know exactly how important this job is and how much it pays off for all of us by the time these kids get to our building. Below are five tips *LaPetite Academy* shares with parents on how to raise “Kids of Character”.

1. **Volunteer with your child.** By making community service a regular part of your child’s life, you reinforce the importance of giving to others/sharing and help him or her develop a greater awareness of the world and the diversity of people in it. Volunteer outings together also provide great opportunities to spend quality time together as a family. At LaPetite , kids are asked to join with parents in two annual fundraising events per year for the Make-A-Wish Foundation. The events are not only fun family activities, but also raise considerable money for a worthy cause.
2. **Treat others as you’d like your child to treat them.** You are your child’s first and most influential teacher and they are always watching you. “Modeling” your own kind and caring behavior towards friends and relatives is an effective way to teach your children how to be good to others. Show what being a good friend is about and tell your children how to treat people with kindness and respect.
3. **Be your child’s problem “helper” versus problem solver.** Guide and support your children as they work through conflicts or struggles, but avoid doing for them what they have the skills to accomplish on their own. Rather than anticipating and dissolving potential struggles for your child before they happen, become a partner and join his/her efforts to work through them together.
4. **Encourage your child to be truthful, but focus on correcting behavior versus pressuring them into “confessing”.** Children often stretch the truth or make up stories to avoid getting in trouble after misbehaving. By rationally focusing on a behavior problem rather than showing disappointment about your child’s cover-up/lie, you send a direct message that he or she shouldn’t fear being disciplined and thus telling a story is not necessary.
5. **Engage and involve your child in everyday tasks.** Asking for their help makes children feel useful and important. By regularly involving your child in age-appropriate jobs with you, you’re helping him/her develop a sense of responsibility and familiarity working with others.

Middle School “Red Hot Dance”

The dance is on Friday, February 24th from 8-10:00 p.m. in the Middle School Commons area. The cost is \$3 per person. Students are to dress semi-formal, which simply means “NO JEANS”. (Ex: Boys wear khakis/nice shirt and Girls: slacks/dress/shirt are all fine). This dance is sponsored by the Middle School Student Council. We hope that everyone will attend!

THOUGHTS FROM THE HIGH SCHOOL PRINCIPAL.....

MR. MCNEAL

As the month of January has passed and the cold days of winter are here, our students continue to excel. Our extracurricular activities are having excellent seasons. The Speech team traveled to Council Bluffs Abraham Lincoln High School on Saturday, January 21 to compete in the District Large Group Speech contest. 57 students performed in 15 events with 10 of those events receiving Division I ratings which qualify them for the State competition in West Des Moines on Saturday, February 4. Great job and good luck at the State competition!

Congratulations to the Jazz Choir and Jazz Band on their performances at the WIC Jazz Festival on January 12. The Jazz Choir placed 2nd and the Jazz Band placed 1st. Also congratulations to Sam Gregory on receiving an outstanding soloist award.

As I write this article, the athletic teams are competing well with the girls basketball team rated 2nd in Class 2A with a record of 15—0 and in wrestling Sam Gregory is rated #7 in Class 1A at 182 lbs. I encourage everyone to support the extracurricular activities as they finish up their seasons and compete in their postseason tournaments.

“THE PROMISE OF IOWA” CAMPAIGN

The Board of Directors of the Treynor Community School District has passed a resolution in support of “The Promise of Iowa” campaign. The goal of the statewide campaign is to focus attention on the future of Iowa public school students and to rally support for public education in Iowa.

The campaign’s focus is on building public understanding about the work of public schools today, which are innovating to ensure students are positioned for success in their futures. Iowa’s future leaders, innovators and citizens are its children. They are “The Promise of Iowa.” Their future is created every day by Iowa public schools. Iowa public schools develop their potential, strengthen communities, and contribute to a strong economy.

Another goal is to encourage Iowans to show their support for the investments needed to keep our public schools strong.

Board President Amy Graber said the board’s support of “The Promise of Iowa” campaign is an important step in raising awareness statewide about the value of public education in shaping the next generation of Iowa leaders, workers and citizens. The district will share information on public schools statewide, and encourage local residents to take part as well.

A campaign website, www.promiseiowa.org, provides more information about how to become involved.

The “Promise” campaign is being coordinated statewide by the Iowa Association of School Boards, a nonprofit organization representing the more than 1900 Iowa citizens serving on locally elected school boards.

Lisa Bartusek, Executive Director Iowa Association of School Boards, is coming to speak in Treynor

The community is invited to hear Lisa Bartusek, Executive Director Iowa Association of School Boards, as she shares the news about Iowa public schools through the Promise of Iowa. She will be speaking on Saturday morning, February 25, beginning at 8:15 and ending at 9:00 in the Legion Room of the Treynor Community Center. Ms. Bartusek’s time will not only include prepared comments but also allow time for questions from the audience.

The Treynor Optimist Club is hosting Ms. Bartusek’s visit. In the event of bad weather, please listen to KMA radio 960 AM or view announcements on local TV stations for possible cancellation notice
