$ 30
Bump Armor RSP Case

Qty ☐

The RSP case™ provides a protection for your Chromebook in a modern, stylish hybrid nylon padded sleeve. Front and back pockets provide space for extra storage and the slim profile easily slides in and out of backpacks.

- Interior lining is soft & cradles your device.
- Convenient front pocket for cables
- Slip pocket on the back for holding papers.
- Removable shoulder strap.
- Outside material: Nylon.
- Inside material: Soft brushed polyester.
- Fits most 11-inch Chromebooks.

$ 33
Bump Armor CB Slim Hard Shell Case

Qty ☐

The CB Slim Hard Shell Chromebook case provides awesome, stylish protection for your Chromebook. The exterior is made of 100% 1680D ballistic nylon with water-repellent coating and it uses special non-contact zippers and neoprene interior pockets to keep your Chromebook scratch-free. The compact, handleless design easily slides in and out of backpacks.

- Stylish hard-shell case fits 11" Chromebooks.
- Stylish, lightweight and tough.
- Awesome, stylish protection.
- Non-scratch neoprene interior pockets provides additional storage space for your must have accessories.

$36
Bump Armor GTX 30002 Case

Qty ☐

The GTX series provides a rugged and stylish protective case for your Chromebook. The compact design features rip-stop nylon, commercial-quality zippers, and reinforced corrugated plastic and foam protection.

- Compact design with outstanding protection.
- Durable exterior ripstop nylon surface.
- Long lasting commercial quality zippers.
- Exterior pocket for power cords & accessories.
- Padded handles & a removable shoulder strap.
- Built in ID window.
- Slides into and out of backpack with ease.
- High density foam provides great bump protection.
- Reinforced corrugated plastic siding provides R30 crush protection from the weight of books or other items that may rest on the case during storage.
