

Treynor Community Schools

Board of Education

Community Coffee
MS/HS Library
January 20, 2016
5:30 p.m.

Members of the Treynor Board of Education and administrative team will be holding a Community Coffee on Wednesday, January 20, 2016. The Community Coffee will be held in the MS/HS library starting at 5:30 p.m. In an effort to provide continued communication, transparency and opportunities for input, three Community Coffee meetings will be conducted this year. The focus of the January meeting will be to review and discuss the District's Strategic Plan. The Strategic Plan is used to identify short and long range goals in the areas of: facilities, technology, curriculum, staffing, activities, athletics, enrollment and transportation. A copy of the Strategic Plan can be viewed on the school's website by clicking on the "District" tab and then the "Strategic Plan" tab. Please join us on Wednesday, January 20th to help update the Strategic Plan.
