

Treynor Community Schools

Board of Education

Community Coffee
MS/HS Library
April 27, 2016
5:00 p.m.

Members of the Treynor Board of Education and administrative team will be holding a Community Coffee on Wednesday, April 27, 2016. The Community Coffee will be held in the MS/HS library starting at 5:00 p.m. In an effort to provide continued communication, transparency and opportunities for discussion, three Community Coffee meetings will be conducted this year. The focus of the April meeting will be to review and discuss School Finance / Budget. The School Finance / Budget presentation will be available electronically so participants are encouraged to bring an electronic device with Internet capabilities. A copy of the School Finance / Budget presentation can be viewed in advance on the school's website by clicking on the "District" tab; the "Data" tab; followed by "Treynor District Data Information". We will review the documents under the FY17 Budget heading. Please join us on Wednesday, April 27th if you are interested in learning more about School Finance.
