Home of the Cardinals

Dear Parent/Guardian,

Homecoming is on Friday – September 30 and the High School will not have a regular school day. Rather students will be competing with their classmates in team building activities during the morning. High School students that return this completed form to Mrs. Blackledge in the HS Office by the end of the day on Thursday – September 29 will be allowed leave campus when the activities are completed at about 11:30.

These students must leave school grounds promptly and will be on their own for lunch. They may return if they are involved in the homecoming activities. The Pep Rally begins at 1:00 at the Football Stadium and the parade begins at 2:00.

If weather cancels the homecoming parade, students won't be allowed to leave earlier than the rest of the student body.
