Re: Snow Removal - Treyvor Community School District - 2018-2019

Please find below my/our bid for the removal of snow in the parking lots and driving entrances of the Treyvor Community School District, including the main parking lots of the high school and elementary, the entrance/exit of the middle school drop-off, the diagonal parking spaces at the elementary, the two entrance roads that lead to the high school parking lot, and the area around the buses. (Note that the custodial staff clears the sidewalks and appreciates the successful bidder not putting snow on the sidewalks.)
