

HOMEWORK

Homework, extra class activities or assignments beyond the regular classroom instruction program are a part of the education program. Homework will be an extension and an enrichment of the classroom instruction.

Homework shall be an opportunity for students to practice skills and activities, to share and discuss ideas, to review materials, to become acquainted with resources, to organize thoughts, to prepare for classroom activity, or to make up incomplete assignments.

The amount of homework in grades one through five shall be minimal. A reasonable amount of homework is required in grades six through twelve.

Guidelines regarding homework shall be developed in conjunction with the curriculum of the education program.
