9-12	\$45

The first day of school will be Thursday, August 18th with regular dismissal times!

Other possible fees include:

- Activity tickets and yearbooks may be purchased.

- A fee could be assessed at the end of the school year for any undue damage to a textbook.
- Driver's Education fee will be \$240.

Special points of interest:

- ✓ Pay registration fees.
- ✓ Deposit money in student lunch accounts.
- ✓ Purchase activity tickets and yearbooks.
- ✓ Pick up class schedules, update student health information and update bus information.
- ✓ Remember to check our website. Use the parent access link to check grades, attendance, lunch balances and Pay-Schools Account.

- **Elementary—Breakfast—1.00; Lunch—\$1.70**
- **Middle School/High School—Breakfast—1.00; Lunch—\$1.85**

Your family's lunch account is managed district-wide, rather than by building. When you deposit money in your child's account at the elementary, middle or high school, that amount will be deposited into your "family account" and your elementary, middle or high school student will draw from that one account. During registration, if you have children in both the elementary and middle/high school buildings, you can visit any building secretary to deposit lunch money into your account. If you have a child in only one building, only visit that building's secretary to deposit lunch money.

Students have to maintain a positive balance in their lunch accounts. If you have a question as to the status of your child's lunch account, please check the balance on-line through your parent access on the school website, or call the school office and we will be glad to help you. Keep in mind that your child may purchase extras (ala carte items) at breakfast or lunch at the middle or high school.

Menus will be available at registration.

As summer heats up...school is only a few weeks away!

As the days get hot and the month of August nears, the start of fall practices and the first day of school will soon follow. I hope that everyone is having a fantastic summer. The summer months have been extremely busy here at the school in preparation for the upcoming school year. A few of our many summer tasks include the hiring of new staff, ordering and inventorying new materials, coordinating renovation projects and cleaning/maintaining our facilities.

I'm very excited about the new staff that has been hired for the 2011-12 school year. When you arrive in August, please seek out our new staff members and welcome them to Treynor.

- Derek Steeve MS Math & Social Studies
- Clint Buckingham MS/HS Custodian
- Donna Perdue Food Service
- Cindy Push Food Service
- Alexandra Bohnet HS Assistant Volleyball coach

In addition to our new staff, the following current staff members will be assuming additional roles in the coming year:

- Jann Strutzenberg Dance Team coach
- Jennifer Anderson Yearbook sponsor

Our custodial staff and summer helpers have been working hard to get both buildings looking great and ready to welcome back the students and staff. Please thank them for their hard work the next time you cross paths. In addition, to keep our facilities looking exceptional, the board of education approved a few renovation projects which have occurred this summer. The third and final phase of a roof replacement project was completed on the middle school/high school facility. The roof over the 1960's portion of the middle school was replaced. In addition, three middle school classrooms were renovated and the ceiling in the middle school kitchen was replaced. As part of our efforts to improve energy efficiencies, new high efficient lighting was installed in the middle school commons, west gym, east gym and wrestling rooms. Sensors have also been installed in these spaces to automatically turn off the lights when the areas are not in use for more than 15 minutes. Finally, in August the sound system in the school auditorium will be replaced and this fall our wireless network throughout the district will be upgraded.

You only have about 25 days of summer vacation left. Students, enjoy your last few weeks. Parents, you will be able to breathe a sigh of relief soon. ☺ As always, THANK YOU for your continued support of the Treynor Community Schools.

Mr. Elwood

FORMS AVAILABLE ONLINE

On the school's website, www.treynor.k12.ia.us, under the Parent Link, is a section titled "Registration Information". Within this section are forms required for new and returning students. You can open these forms in Acrobat Reader, print them, fill them out and bring them to registration. Forms available on the web which are required for new students only are Student Information and the CardinalNet AUP Authorization. Athletic physical examination and insurance waiver forms are also available and required yearly for all 7-12th grade students involved in athletics.

STUDENT INSURANCE

Treynor Community School does not purchase accident insurance to cover injuries incurred by your child at school or school-sponsored activities. As a service to parents, the school makes accident insurance available through Student Assurance Services. Football insurance for grades 9-12 may also be purchased through Student Assurance Services. Insurance information and enrollment forms will be available at registration.

Parents must sign an insurance waiver which states they have adequate insurance or purchase accident insurance before students may participate in sports.

SPORTS PHYSICALS

Just a reminder—before any student participates in sports, a physical form must be completed for the current school year. Also, parents must sign an insurance waiver or purchase accident insurance before students may participate in sports.

Physical forms and insurance waiver forms are available in the school office or on our web site. Also, information from Student Assurance Services will be available at registration if anyone is interested in purchasing accident insurance.

Again, these forms are required before students in grades 7-12 can participate in practice or competition.

YEARBOOK SALES

A note from the Cardinal yearbook staff:

The yearbook staff will be at registration to take your orders for the 2011-12 books. If you order at registration, you can purchase the books at the discounted rates of \$13.50 for the K-5 elementary book and \$55 for the 6-12 book. These prices will increase after Labor Day. You can also purchase by credit card at Jostens.com. Just click the "yearbook" tab on the top menu bar and then click "buy your yearbook" and follow the prompts. If you have any questions, email the yearbook staff at yearbookstaff@schools.treynorcardinals.org. See you at registration!

LUNCH ACCOUNT PAYMENTS ONLINE

Parents can access PaySchools through the school web site and pay for school lunches, either by e-check or Mastercard, Visa or Discover cards. The parent will immediately receive an e-mail receipt confirming their purchase. PaySchools does not save or store bank or credit card information to ensure privacy and security for users.

PaySchools offers parents the ease of being able to make payments 24 hours a day/7 days a week, the security of knowing the school has received payments, the protection of sensitive account information (credit card and bank account numbers are not stored in the database), and the convenience of having records of purchases and payments available online.

Visit the district's web site at www.treynor.k12.ia.us and go to the Parent page.

DRESS CODE

Details of the student dress requirements will be in the handbook/assignment book given to students on the first day of school. Tops with spaghetti straps and tops that are too short to keep midriffs covered at all times will not be allowed.

POST-SECONDARY ENROLLMENT

Post-secondary enrollment is when a senior student wishes to take a college course which is not offered by the local district. The district pays up to \$250 for each course after its completion. The student must provide his/her own transportation.

OPEN ENROLLMENT

Parents/guardians considering the use of the open enrollment option to enroll their child/children in another public school district in the State of Iowa should be aware of the following dates:

March 1, 2012: the last date for regular open enrollment requests for the 2012-2013 school year, except for "good cause" reasons or kindergarten applications. Good cause generally means a change in residence of the pupil, a change in district's status such as whole grade sharing or reorganization, or the loss of accreditation or the closing of a non-public school of attendance. Open enrollment can still take place if "good cause" is shown.

Kindergarten applications must be filed on or before September 1 of the school year in which open enrollment is requested. (September 1, 2012 for the 2012-2013 school year.)

For further details, contact the school superintendent's office at 487-3414.

TRANSPORTATION PROGRAM

Treynor will operate six regular bus routes. In addition, there will be one route to Council Bluffs for the purpose of transporting special education students who are attending programs in their assigned schools.

Starting time will be 8:30 a.m. for both elementary and secondary students. School will dismiss at 3:24 p.m. at the Jr./Sr. High Building and 3:27 p.m. at the Elementary Building.

The telephone number at the bus garage is 487-3292. If children are not going to ride on a given day, please inform a neighbor preceding the pick up or call the bus garage by 7:00 a.m. The cooperation received in the past relative to safety, scheduling, promptness and the overall general consideration shown for our concerns and policies has always been very much appreciated.

ASBESTOS PLAN

An asbestos plan is located in each school office at the junior/senior high and elementary buildings. This plan indicates where there are areas of asbestos and how they are inspected each year. Fortunately, the Treynor School has no friable asbestos, which is a danger to students. If there are any questions, please contact the superintendent at 487-3414.

ANNUAL HEARING TESTS SCHEDULED

The Green Hills Area Education Agency will conduct hearing screenings at Treynor Elementary and Middle/High School on September 12th and 13th. All kindergarten through third grade and eighth grade students will be tested. During the annual hearing tests, home-schooled students may have their hearing screened by contacting the school. If you do not wish your child to participate, please contact the school.

FROM THE ACTIVITIES DIRECTOR

The 2011-2012 school year is upon us and we are looking forward to another busy and successful year in the Activities Department. I would like to take this opportunity to remind you of several things can help you stay in contact with our department.

Activities Calendar

To help facilitate our Activity programs we have a calendar that is available from our school website. If you click on the Activities button on the home page it will direct you to the calendar link. I would like to encourage you to use this website to print off schedules and see the latest updated information taking place in our 7-12 building. A feature I would recommend that you use is the "notify me" feature that will send you an e-mail to multiple accounts if we happen to have to reschedule an event, add an event, or change a location of an event. This will be of particular use when we get to the spring time and weather wreaks havoc with our track and golf schedules. Just go to the link and it will guide you through the process. If you have any questions or comments about the calendar feel free to contact me. **New to our program is a feature to send you a text message when an activity is postponed, cancelled or rescheduled. This can also be done within the "Notify me" section of the calendar.** This is another way to stay up-to-date with the latest information.

Twitter

We were the first high school in the state, and possibly the region, to use Twitter to communicate with our fans regarding scheduling and other important information, and the most exciting feature is up to the minute updates at Cardinal Varsity athletic events and other Treynor Activities. See the page included in this newsletter with instructions to get signed up.

Communicating with Coaches/Directors

One area I would like to emphasize is communication and the appropriate way to do it with coaches and directors. Our communication chain is as follows:

1. **Student to Coach/Director/Sponsor**
2. **Parent to Coach/Director/Sponsor**
3. **Parent to Activities Director**
4. **Parent to Principal**
5. **Parent to Superintendent**

I would also like to mention what is appropriate to talk about when meeting with coaches, directors, or myself.

Inappropriate: playing time, team strategy, play calling, other student-athletes, and "speaking for other adults."

Appropriate: treatment of their student mentally and physically, ways to help student improve, concerns about the student's behavior.

Also, in order to avoid confrontation it is best for parents to not talk to coaches immediately following a game or a practice (if it is about a controversial issue). In emotional times, issues only escalate and are not resolved. Parents should call the next day (following the chain of command) and set up an appointment.

We look forward to an outstanding 2011-2012 school year and to working with your student. We hope they will take advantage of opportunities to be involved and these can add to their educational experience.

DIRECTORY INFORMATION DISCLOSURE

Unlike other personal data in a student's records, a school may disclose "directory information" without first obtaining permission. "Directory information" includes the student's name, address, telephone listing, date and place of birth, grade level, participation in school activities-including athletics, weight and height of members of athletic teams, dates of attendance, awards received and the most previous educational agency or institution attended by the student. **Any parent/guardian who does not want the information listed above released is asked to contact either principal's office and leave word to this effect. Otherwise, the information will be released to colleges, businesses, etc.**

The No Child Left Behind Act of 2001 (Section 9528) requires that high schools provide military recruiters access to student's names, addresses and telephone numbers. Parents or students may request that this information not be provided without written parental/guardian consent. If you wish to have your high school student's information withheld from military recruiters, please contact the high school principal.

The Protection of Pupil Rights Amendment (PPRA) requires Treynor Community School to notify you and obtain consent or allow you to opt your child out of participating in certain school activities. 1. Political affiliations or beliefs of the student or student's parents;
2. Mental or psychological problems of the student or student's family;
3. Sex behavior or attitudes;
4. Illegal, anti-social, self-incriminating, or demeaning behavior;
5. Critical appraisals of others with whom respondents have close family relationships;
6. Legally recognized privileged relationships, such as with lawyers, doctors, or ministers;
7. Religious practices, affiliations, or beliefs of the student or parents; or
8. Income, other than as required by law to determine program eligibility.

This requirement also applies to the collection, disclosure or use of student information for marketing purposes ("marketing surveys"), and certain physical exams and screenings.

Treynor Community School District will provide parents, within a reasonable period of time prior to the administration of any surveys or activities, notification of the surveys and activities and be provided an opportunity to opt their child out, as well as an opportunity to review the surveys. College Planning for the Senior Year

For seniors it is finally here, the senior year! Besides being the final year of high school, a lot of important decisions and processes have to be accomplished this year to be ready for the transition to life after high school. A major part of the counseling program at THS is to assist seniors in making the decisions and getting everything accomplished to be ready for college, the military, world-of-work, or whatever the career goal is for each senior. Here is a brief outline of what needs to get done to be ready to go to college.

August and September

- Decide what type of college that interests you. Are you interested in a large public university? A smaller private university or college? A community college? A career/technical school? You need to pay particular attention to make sure that the college that interests you has the study program that you want. Choices Planner is web-based computer software that has a vast amount of information about every college in the U.S. Also, on the THS web site on the counseling page are several links to college web sites that will have educational program information.
- Narrow your number of colleges down to three schools.
- If you have not taken the ACT or you want to take it again, be sure to register for the September testing. The regular registration deadline is August 12, 2011 for the September 10, 2011 test date. Students may register on-line at www.actstudent.org or with a paper registration packet from the counseling office.

September and October

- Apply early. It is very important to apply early to colleges. The application does not commit a student to a specific college. It simply says you as a student are interested in the college and are asking the college to review your academic record to grant admission to the college. Most colleges have on-line applications or paper forms can be downloaded from college web sites or obtained through the counseling office. Some colleges charge application fees. Application and admission to the college then opens a pipeline of information between the college and the student. Most importantly, before financial aid or scholarships are granted by the college, the student must have applied and been granted admission. A transcript of the student's high school academic work will be required for admission. To have a transcript sent to a college, see Mr. Irvin and fill out a transcript request form.
- Set up a college visit. A visit to a college is the most important factor in making the college decision. Visits to a college need to be set up prior to the visit and can be done through Mr. Irvin or through the college admission office. It is best to visit on a regular day of classes and not on weekends. Many colleges sponsor prospective student days in which they will bring in

several prospective students at a time and will have programs on financial aid, campus tours, host a meal in the cafeteria, visit a dorm, visit classes, or meet with activity sponsors, coaches, or department chairpersons. It is best that parents accompany students on their visit to get a feel for the campus and to give feedback to their son/daughter about the college. The best time to visit is in the fall before snow begins to fall with the onset of winter. THS allows two days for college visits in the senior year.

November to February

- Attend the Financial Aid Meeting at THS on November 22, 2011 at 7:00 p.m. in the auditorium. The College Planning Center will present an excellent program on the basics of college financial aid.
- Begin to research scholarship opportunities. The counseling office will have scholarship information as well as a scholarship booklet on all scholarships that come into the THS counseling office. Local scholarship information will be on the counseling website.
- After January 1, get your income taxes completed as soon as possible. It helps to have your income tax return finished to complete the FAFSA (Free Application for Federal Student Aid), but it is not required to have your taxes finished.

February

- Complete your FAFSA. Continue to search out scholarship opportunities and pay particular attention to announcements and Scholarship Central on the THS counseling web page.

March

- Some college request that families complete verification of their FAFSA form by sending in a copy of their income tax return.
- Watch for your Student Aid Report (SAR) which is a listing of your information filed on the FAFSA. When you receive it by paper or by email, check your numbers from the FAFSA form. If they need to be corrected, go to the FAFSA web site or to the paper SAR and correct the errors.

April

- Compare financial aid packages from the various colleges that you have applied and had your FAFSA numbers sent.
- Make a final decision on the college you want to attend. If necessary, make a second visit to compare two colleges if you are having a difficult decision.
- Notify the colleges that you are not attending of your decision.
- Sign and send the financial aid award letter of the college that you have chosen.
- If you are borrowing money with a student loan, complete the required promissory note. The college financial aid office will send it to you or can be done online.

May

- Graduate!

June and rest of the summer

- Attend a college orientation for freshmen
- Save money from a summer job
- Contact your college roommate and decide who is going to bring what for the room.
- Get ready for one of the greatest experiences of your life!

Seniors: Pick up your senior statements

In the first two weeks of school, seniors need to see Mr. Irvin and pick up their senior statements. The senior statement is a summary of the senior's academic standing in regard to graduation. It will contain total credits achieved, class rank, grade point average, and required classes to be completed. Mr. Irvin would also like to visit with each senior about their future plans.

Important Dates

College Planning Night for Juniors: September 1, 2011, 7:00 p.m. at the THS Auditorium. This is a program for the class of 2013. The College Planning Center will present a program on preparing for college as a junior in high school. Topics to be included are: preparing for college, what to consider when choosing a college, how to compare colleges, what to look for and ask at college visits, and a brief overview of the financial aid process. Juniors and their parents are invited to attend and will find it a helpful program for preparing and choosing a college.

Financial Aid Night: November 22, 2011, 7:00 p.m. at the THS Auditorium. This is a must meeting for all seniors (class of 2012) and their parents to attend. The College Planning Center will present a program to explain the entire college financial aid process including the completion of the FAFSA (Free Application for Federal Student Aid).

Dear Parent/Guardian:

Children need healthy meals to learn. Treynor Community School offers healthy meals every school day. Breakfast costs 1.00; lunch costs \$1.70 (Elementary) and \$1.85 (MS-HS). Your child(ren) may qualify for free meals or for reduced price meals. Reduced price is .30 for breakfast and .40 for lunch.

1. **Do I need to fill out an application for each child?** No. Complete the Iowa Eligibility Application for your household with all children listed. We cannot approve an application that is not complete, so be sure to fill out all required information. **Return the completed application to: Kevin Elwood, Superintendent, PO Box 369, Treynor, IA 51575, 712-487-3414.**
2. **Who can get free meals?** Children in households getting Food Assistance or FIP and most foster children can get free meals regardless of household income. Children enrolled in Head Start can get free meals regardless of income. Also, your children can get free meals if your household income is within the free limits on the Federal Income Guidelines.
3. **Can foster children get free meals?** Yes, foster children that are under the legal responsibility of a foster care agency or court, are eligible for free meals. Any foster child in the household is eligible for free meals regardless of income.
4. **Who can get free milk?** If your school participates in the Special Milk Program for half day kindergartners, your kindergarten child may be eligible for free milk. Children who buy extra milk with a meal or if they have an afternoon milk break are not eligible to receive free milk.
5. **Can homeless, runaway and migrant children get free meals?** Yes. Please call Kevin Elwood, Superintendent, Treynor Community School, 712-487-3414, to see if your child(ren) qualifies, if you have not been informed that they will get free meals.
6. **Who can get reduced price meals?** Your child(ren) can get low cost meals if your household income is within the reduced price limits on the Federal Income Chart on the back of this page.
7. **I currently receive Food Assistance or Family Investment Program (FIP) benefits; do I need to fill out an application?** Perhaps. School enrollment records have been compared to records from the Department of Human Services to identify children who are members of households receiving Food Assistance or FIP benefits. If ANY child(ren) are identified during this process all your children will be directly certified as eligible to receive free meal benefits and you will be notified of their eligibility by the school. Parents need to do nothing more for their children to receive free meal benefits.

Some eligible children may not be identified in this process. Households with children who were not identified should receive a letter of direct certification from DHS. Children on these letters will receive free meal benefits only if parents provide the letter to the school. Instructions to parents are included on the letter.

If you receive notice from EITHER THE SCHOOL OR DHS that only SOME of your children are eligible because of direct certification, CONTACT THE SCHOOL. You may need to complete an application for the children who were not identified or provide additional information to the school.
8. **What if my income is not always the same?** List the amount that you normally get. For example, if you normally get \$1,000 each month, but you missed some work last month and only got \$900, put down that you get \$1000 per month. If you normally get overtime, include it, but do not include overtime if you get it only sometimes.
9. **Will the information I give be checked?** Yes, we may ask you to send written proof. You are not required to provide proof with your application.
10. **If I don't qualify now, may I apply later?** Yes. You may apply at any time during the school year if your household size goes up, income goes down, or if you start getting Food Assistance, FIP, or other benefits. If you lose your job, your children may be able to get free or reduced price meals.
11. **What if I disagree with the school's decision about my application?** You should talk to school officials. You also may ask for a hearing by calling or writing to: Kevin Elwood, Superintendent, PO Box 369, Treynor, IA 51575, 712-487-3414.
12. **May I apply if someone in my household is not a U.S. citizen?** Yes. You or your child(ren) do not have to be U.S. citizens to qualify for free or reduced price meals.
13. **Who should I include as members of my household?** You must include all people living in your household, related or not (such as grandparents, other relatives, or friends), who share income and expenses. You must include yourself and all children who live with you. Households with foster and non-foster children may choose to include the foster child as a household member, as well as any personal income earned by the foster child.
14. **I get WIC. Can my child(ren) get free meals?** Children in households participating in WIC may be eligible for free or reduced price meals. Please fill out an application.

6/11 Revised

- 15. **We are in the military; do we include our housing allowance as income?** If your housing is part of the Military Housing Privatization Initiative, do not include your housing allowance as income. All other allowances must be included in your gross income. There are currently no active Military Housing Projects in Iowa. For a listing of the Military Housing Projects by state visit the following web site: <http://www.acq.osd.mil/housing/mhpi.htm>.
- 16. **What other benefits might I be eligible for?** Your child may be eligible for other benefits including *hawk-i* (children's health insurance) or for a waiver of school fees. Read the information on the back of the Iowa Eligibility Application for *hawk-i* information. A school fee waiver form is available from your school.
- 17. **Can children with disabilities get food substitutions?** If a child has a disability, as determined by a licensed physician, and the disability prevents the child from eating the regular school meal, the school will make substitutions prescribed by the licensed physician. If a substitution is needed, there will be no extra charge for the meal. Please note, however, that the school is not required to make a substitution for a food allergy, unless it meets the definition of disability. Please call the school for further information.
- 18. **Income Guidelines effective July 1, 2011.**

Part 3. Follow these instructions to report total household income from last month.

Name: List the last and first names of **each** person living in your household, related or not (such as grandparents, other relatives, or friends); include yourself and all children living with you. List the **gross income** each person earned from work. This is not the same as take-home pay. **Gross income is the amount earned before taxes and other deductions.** The amount should be listed on your pay stub, or your boss can tell you. If you have a household member for whom last month's income was higher or lower than usual, list that person's expected average income. If the household includes the foster child, they must report any personal income received by the foster child on the foster parent's household application.

Other Monthly Payments or Income: List the amount each person received last month from welfare, child support, alimony, adoption subsidies, pensions, retirement, Social Security, Supplemental Security Income (SSI), and Veteran's benefits (VA benefits). In the **All Other Income** column, include Worker's Compensation, unemployment, strike benefits, regular contributions from people who do not live in your household, cash withdrawn from savings, investments or trusts, interest and **ANY OTHER INCOME**. If you are in the Military Housing Privatization Initiative or get combat pay do not include these allowances.

hawk-i /Medicaid Information Form: Read this information and sign if you do not want your name released to hawk-i or Medicaid.

If your children do not have health insurance, you will be interested to know that many families getting free and reduced price meals can also get free or low-cost health insurance for their children.

The law now requires schools to share your free and reduced price meal eligibility information with Medicaid and hawk-i, the State's medical insurance program for children. Specifically, we will give them your child's name and your name and address. Medicaid and hawk-i can only use the information to identify children who may be eligible for free or low-cost health insurance and then to contact you. They are not allowed to use the information from your free and reduced meal application for any other purpose.

You are not required to allow us to share information from your children's free and reduced price meal application with Medicaid or the hawk-i program. It will not affect your children's eligibility for free and reduced price meals. If you do NOT want your information shared with Medicaid or hawk-i, you must tell us by completing the information below at the time you complete this eligibility application. If you want further information, you may call hawk-i at 1-800-257-8563.

I DO NOT want school/home sponsor/child care or Head Start center officials to share information from my free and reduced price meal application with Medicaid or hawk-i. Also, if you are already receiving Medicaid or hawk-i, please sign below. This will avoid another contact.

Self-Employment Income Worksheet: This worksheet will assist you in calculating the amount to report if you engage in farming, are self employed or have income from other sources.

Persons who are engaged in farming or who operate other types of private businesses may experience variations in cash flow or monthly income throughout the year. These persons may use their income tax records from the preceding calendar year as a basis for applying for the free and reduced price meals. The income to be reported is income derived from the business venture less operating costs incurred in the generation of that income. Deductions for personal expenses such as medical expenses and other non-business deductions are not allowed in reducing gross business income.

If you have additional income from other kinds of employment, this income must be treated as separate and apart from the income generated from your business venture. USDA DOES NOT recognize income the same way as IRS. USDA does not permit a loss from a business venture to off-set earnings from wages or salary. Though your business may have suffered a net operational loss, for purposes of this application, it is not possible to have a negative income. The least self employed income possible is zero (no income). For example, if you operated a business at a net loss but held another job where you received wages, your income for purposes of applying for free or reduced price meals would be the income from your wages only. The loss from the business cannot be deducted from the amount of the income earned in the other job.

A prior year loss from farming or other private business operation cannot be used to reduce the current year net income for determining free and reduced price eligibility. Wages paid to a spouse or other family member in the operation of a farm or private business must be shown as household income in Part 3 of the application.

The least income possible is zero (no income).

Income from private business operations is to be taken from your most recent U.S. Individual Income Tax Return - Form 1040. Use the lines from the 1040 that are identified.

STUDENT FEE WAIVER AND REDUCTION PROCEDURES

The board recognizes that while certain fees charged students are appropriate and authorized, certain students and their families are not financially able to pay the fees. The school district will grant either full waivers, partial waivers or temporary waivers depending upon the circumstances and the student or student's parents' ability to meet the financial criteria.

- A. Waivers -
1. **Full Waivers** - a student will be granted a full waiver of fees charged by the school district if the student or student's parents meet the financial eligibility criteria for free meals under the Child Nutrition program, Family Investment Program, Supplemental Security Income guidelines, or transportation assistance under open enrollment. Students in foster care are also eligible for full waivers.
 2. **Partial Waivers** - a student will be granted a partial waiver of fees charged by the school district if the student or the student's parents meet the financial eligibility criteria for reduced price meals offered under the Child Nutrition program. A partial waiver shall be based on the same percentage as the reduced price meals.
 3. **Temporary Waivers** - a student may be eligible for a temporary waiver of fees charged by the district in the event the student's parents are facing financial difficulty. Temporary waivers may be applied for at any time throughout the school year and shall not extend beyond the end of the school year.
- B. Application - Parents or students eligible for a fee waiver shall make an application on the form provided by the school district. Applications may be made at any time but must be renewed annually.
- C. Confidentiality - The school district will treat the application and application process as any other student record and student confidentiality and access provisions will be followed.
- D. Appeals - Denials of a waiver may be appealed to the Superintendent of Schools.
- E. Fines or charges assessed for damage or loss to school property are not fees and will not be waived.
- F. Notice - the school district will annually notify parents and students of the waiver. The following information will be included in registration materials and printed in the student handbook.

Students whose families meet the income guidelines for free and reduced price lunch, the Family Investment Program (FIP), Supplemental Security Income (SSI), transportation assistance under open enrollment, or who are in foster care are eligible to have their student fees waived or partially waived. Students whose families are experiencing a temporary financial difficulty may be eligible for a temporary waiver of student fees. Parents or students who believe they may qualify for temporary financial hardship should contact the school at registration for a waiver form. This waiver does not carry over from year to year and must be completed annually.

CONSIDER JOINING A SERVICE CLUB—JOOI

At registration, there will be a table displaying the activities of the Junior Optimist Octagon International Club (JOOI). This is a student service club which conducted a food drive, baked cookies for the troops, made newly enrolled students feel welcome, wrapped books at Christmas at Barnes & Noble, chaperoned special youngsters at an ice skating rink, assisted the adult Optimist Club with their activities, promoted a can kennel month for JOOI and removed trash from yards at the school. Several scholarships are awarded to active members. Members welcomed new teachers with cards at the beginning of the year.

The officers are Kyleigh Smart- president, Preston Vorthmann- vice president, Cheyenne Ruby-secretary and Paige Volkens- treasurer. The sponsors are Steve Irvin and Gary Funkhouser. Dues are \$10 for the year. The club meets at 7:45 on Thursday mornings. All students 9-12 are invited to participate in this service organization.
