## NEWSLETTER

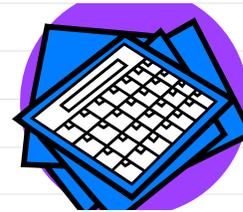

April, 2015

### *"District Details" ... a few notes from Superintendent Elwood*

#### **2015-16 School Calendar ....**

A DRAFT of the 2015-16 school calendar was reviewed by the Treynor Board of Education at the March school board meeting. Unfortunately, we are still waiting for the State Legislature to make a final decision pertaining to school start dates. Once this occurs, the official 2015-16 school calendar will be adopted.

In the meantime, a copy of the DRAFT calendar can be viewed in this newsletter or on the school website under the "calendar" tab. If you have any comments or suggestions for consideration, please email me your thoughts at [kelwood@treynorcardinals.org](mailto:kelwood@treynorcardinals.org).

The 15-16 "DRAFT" school calendar is available on the website.

Here are a few "highlights" within next year's calendar:

- Registration will be held Monday, August 3 in the HS Commons.
- School will begin one week later than previous school years.
- We will continue with a 3 day break at Thanksgiving.
- Due to the later start, second semester will not end until mid-January rather than prior to Christmas.
- Both semesters contain 90 days.
- Third quarter Parent/Teacher conferences align with Easter creating a nice 6 day Spring/Easter break for families.
- If weather cooperates, the school year will conclude on May 27.

#### **Special points of interest:**

- ✓ The DRAFT 2015-2016 school calendar is included in this newsletter and also posted on the website.
- ✓ Note the highlights and a few changes from previous years.
- ✓ Check out the article regarding the last day of school and make-up days.
- ✓ School's portion of the property tax rate to decline again this year!
- ✓ Welcome our new Elementary Principal !

#### **Snow Day/Make-Up Day Plans.....**

As we enter the final quarter of the school year, it's time to try and forecast the last day of school for this year. Thus far, we have missed four full days of school due to snow days and state tournament days. Fortunately, we have three days allocated in the current calendar that students will not have to make up. Therefore, students only have one day of school to make up, pending any additional weather issues. All make up days will be added to the end of the school calendar. At this time, school is scheduled to dismiss on May 26.

Keep your fingers crossed for good weather and no additional make up days!

As always, thanks for your continued support of our students, staff and programs.

Go Cardinals!

Mr. Elwood

## *"District Details" ... a few notes from Superintendent Elwood*

### **Treynor Community Schools Property Tax Rate to Decrease by \$ .39**

The Treynor Community School's Board of Education reviewed the projected 2015-16 school budget at their March meeting. The levy rate paid during the 2014-15 school year is \$14.17. The new rate for 2015-16 is projected to decline to \$13.78. Therefore, the school's portion of your property taxes will be reduced by .41 cents.

This will be the fifth year in a row the school district has been able to reduce their property tax rate. The rate has fallen from \$15.93 to \$13.78.....a total decrease of \$2.15.

### **Mrs. Jill Kay Named as New Elementary Principal**

Treynor Community Schools are excited to announce the hiring of Mrs. Jill Kay as our next Elementary Principal. Mrs. Kay has been educating students in the Omaha Public Schools for the last fifteen years and will begin her work at Treynor effective July 1.

Mrs. Kay was born and raised just outside the city limits of Omaha, near the Ponca Hills area. She attended Omaha Public Schools until she graduated from high school in 1994. After high school, Mrs. Kay earned a Bachelor's Degree in Elementary Education and later earned a Master's Degree in Elementary Curriculum, both from the University of Nebraska at Omaha. In December, 2014, she completed her K-8 Administration Endorsement from Wayne State.

Mrs. Kay shared with me that she is married to an incredibly hard-working and loving husband, Shannon, who is self-employed in their family transportation business. Together they have three children: Connor (11), Haley (10), and Carson (7). All three Kay children are very active in both school and youth sports. In her spare time, Mrs. Kay enjoys running, hiking, camping, boating, and any other activity that involves the outdoors.

Mrs. Kay will be visiting the school district and community over the next few months. Please welcome her to Treynor when you get an opportunity.

## FROM THE ELEMENTARY PRINCIPAL'S DESK

Glad that the weather is cooperating, but our students are definitely starting to get some spring fever. The kids had a great month and were able to purchase books from our Scholastic Book Fair, took part in the 4th Annual Elementary Night of the Arts, completed a week of Iowa Assessments testing and watched the boys claim the 2-A state basketball championship!

April will prove to be just as busy with Iowa Money Smart Week, 2nd & 3rd and Kindergarten & 1st grade music concerts and the babysitting clinic for students in 5th & 6th grade. We will also host the annual Kindergarten Roundup on April 17th.

We look forward to the warm days that April will provide and the activities that our students will take part in. As we begin to wind down the school year, please let me know if you ever have questions or concerns about your children's education. Feel free to call, email, or just stop in and say hello anytime. [487-3422 or [tlarsen@treynorcardinals.org](mailto:tlarsen@treynorcardinals.org)]

Thanks for all of your educational support and for making Treynor a school where "Excellence is Expected and Excellence is Achieved!"

# NOTES FROM THE MIDDLE SCHOOL PRINCIPAL .... MRS. BERENS

**April 2** No School—Teacher Inservice  
**April 3-6** No School—Easter Vacation  
**April 22** Progress Reports  
**1:00** Early Dismissal

Fourth quarter is here—don't let the school work slide!

The school year has gone by so quickly that it's hard to believe we are in the fourth quarter already. We recognize that this is the time of year when some students tend to start letting their work slide because they would rather be outside enjoying the weather than working on homework. "Parents Still Make a Difference" has a few suggestions for parents in regard to this. They are as follows:

- 1) Ask questions about assignments. Which one was the most interesting? Which one was the most difficult? What are you studying now in History? Do you have any projects or tests coming up? Convey to your child that you are still very much interested and want them to continue focusing on school work.
- 2) If your teen averaged three hours of homework per night during the winter, a new 15 minute homework average should make you suspicious. A comment like, "Your teacher sure let up on the homework suddenly", might be enough to fix the problem.
- 3) Suggest that your teen do the reading aspect of homework on the front steps. That way they are still able to enjoy the sun without sacrificing homework time.

As always, please let me know if you ever have questions or concerns. Thank you for all of your educational support!

Mrs. Berens  
Middle School Principal

## PARENTS OF CURRENT 5TH GRADERS

Current fifth grade students will visit the middle school building on Thursday, April 25th. Students will come over to hear about their schedule for next year, then they will buddy up with a 6th grader to tour the building and eat lunch.

## THOUGHTS FROM THE HIGH SCHOOL PRINCIPAL..... MR. NAVARA

The school year is winding down or is it revving up? Spring semester is supposed to be when the classes are coming to a close, getting ready for graduation and the fun of the last day of school. At Treynor, spring semester is a continuation of meetings, teacher trainings, athletic and musical events. Slowing down is not in our vocabulary. We have many activities scheduled and students are continuing their studies. I am not sure if we did slow down, we would know what to do. One of our teachers coined a phrase "excellence is expected and excellence is achieved". Excellence can never be achieved if we sit back and wait for others. So, we continue on the path of excellence.

We would like for everyone to take notice of our Treynor Community Schools website. On the site, you can take a tour of all the buildings, (elementary, middle and high schools), watch teacher created videos of all of our high school courses, review the musical and activities calendars, and keep up on all the most recent announcements of our district. One thing I would like to point out is a promotion we are running on the activities calendar. In the lower right of the activities calendar, you will see a red hooded sweatshirt. If you press on that sweatshirt, it will take you to a company where you can create your own t-shirt, sweatshirt, polo shirt, etc. for any Cardinal activity/sport. I am not trying to boost the company, but they donate approximately \$8.00 per order back to the school for our activities fund. Now that is the boost! Every Treynor apparel order equals support for Cardinal activities. The activities department would like to thank everyone who has supported us; not just by ordering apparel from this website, but also from the many concession stands and apparel orders from the Booster organizations. We in all of the activities would like to thank you for your support and guidance during the school year. Thank you!

## BOOSTER CLUB CLOTHING SALES

The Treynor Athletic Booster Club is looking for an individual or group of individuals to take over the clothing sales for the upcoming school year. Duties would include: contacting coaches, coordinating artwork and getting the orders set up for the sport seasons and Christmas order. Most of the work can be done by email. If you are interested in learning more about what is involved, please contact Gail Hartigan at the school (487-3414) or Barb Hempel at 566-9479.

This is Marc's 4<sup>th</sup> year performing at All State Festival, it is difficult to make it to All State even once, but to perform every year of high school is really something to be proud of!

Huge **THANK YOUS** go out to our assistant speech coaches this year! **Julie Showalter** joined the team this year and has proven to be a huge asset to the success of our team, her expertise in music brought a new element to our coaching staff but by no means is Musical Theatre where her coaching ended. Thank you Julie for your help this season! **Travis Graham** is a veteran THS Speech Coach but continues year after year to produce excellent improvisation actors. Travis brings energy and humor to each practice while growing and developing the talents of our young actors in Group and Individual Improvisation. Thank you Travis for all you've invested in our students!

# Cardinal Financial Literacy Update

## Financial Literacy Month

In 2005, the U.S. Senate passed (by an overwhelming vote of 48 to 2) a bill declaring April as Financial Literacy month.

President George W. Bush elevated the importance of financial literacy by signing an executive order establishing the President's Advisory Council on Financial Literacy. Its goal is to improve financial education efforts for youths in schools and for adults in the workplace. In 2010, President Obama furthered the cause by signing [Executive Order 13530](#) and created the President's Advisory Council on Financial Capability to assist the American people in understanding financial matters and making informed financial decisions.

While this groundswell of support for financial literacy in schools is certainly needed and welcome, it is important to remember that kids learn the most about money by watching the adults around them. There are a number of other resources available to help you understand the essential facts about money so you can pass along good money habits to your kids. Some of these include these resources available through the Federal Trade Commission (FTC):

- [Money Matters](#) offers short, practical tips, videos, and links to reliable sources on a variety of topics in English and Spanish, ranging from credit repair, debt collection, job hunting, and job scams to vehicle repossession, managing mortgage payments, and avoiding foreclosure rescue scams.
- [Free Annual Credit Reports](#) offers details about a consumer's right to a free copy of his or her credit report from each of the three national credit reporting agencies, upon request, once every 12 months. Reviewing one's credit report regularly is an effective way to deter and detect identity theft.

To become knowledgeable about financial information, begin by understanding the industry terminology. Here are a few financial terms that appear regularly in business publications and financial documents.

- **Dow Jones Industrial Average** (the Dow) - the oldest and most widely quoted stock market gauge. Consisting of a select group of 30 stocks, experts believe it represents the overall market at any moment in time.
- **S&P 500** - a stock market index containing the stocks of 500 Large-Cap corporations (corporations with a market capitalization of \$5 billion or more), most of which are from the United States.
- **Share of Stock** - represents a fraction of the total ownership of a corporation.
- **P/E Ratio** (price to earnings ratio) - a measure of the price paid for a share relative to the annual income or profit earned by the firm per share.
- **Dividends\*** - earnings from corporate stock or credit union share accounts.
- **Liquidity\*** - the quality of an asset that permits it to be converted quickly into cash without loss of value. For example, a mutual fund is more liquid than real estate.
