Treynor CSD Property Tax Rate to Decrease for 7th Consecutive Year

The Treynor Community School's Board of Education reviewed the projected 2017-18 school budget at their March meeting. This will be the seventh year in a row the school district has been able to reduce our property tax rate. The rate has fallen from \$15.93 to \$13.34...**a total decrease of \$2.59.**

The levy rate paid during the 2016-17 school year is \$13.44. The new rate for 2017-18 is projected to decline to \$13.34. Therefore, the school's portion of your property taxes will be reduced by .10 cents.

Tax rate decreases for seventh straight year!

2016-17 School Calendar Adjustment

Please note: No school for students on April 26.

The school calendar was adjusted at the March school board meeting. April 26 was originally scheduled as a 1:00 p.m. dismissal day for staff professional development. We have contracted with the ALICE Training Institute to provide updated intruder response training for our staff and will need the full day to accomplish the training. Therefore, students will not attend classes on April 26 and will not need to make up this time.

2017-2018 School Calendar

The school calendar for 2017-18 was approved at the March school board meeting. A copy of the calendar can be viewed on the school website under the "calendar" tab. Here are a few "highlights" within next year's calendar:

- Registration will be held on Tuesday, August 1 in the HS commons.
- School will begin on Wednesday, August 23 w/ a 1:00 p.m. dismissal on the first day.
- No School on Wednesday, November 22, prior to Thanksgiving break.
- The first semester will end on January 12, but semester tests will be given prior to Christmas break [as was done this year].
- Graduation is scheduled for May 20.
- The projected last day of school is Thursday, May 31.
- For students and staff, three extra days are included in the calendar for snow days, unforeseen cancellations, state tournament days, etc. If we don't use all the built in days, school could dismiss prior to May 31.

Snow Day Update.....

At this time, we have missed 4 full days of school and encountered 2 late starts. The school calendar includes three days built in for weather, state tournament days, etc. At this point in time, students will need to make up 1 day plus any additional days that may be missed. Keep your fingers crossed for good weather! *If no additional days are missed*, the last day of school for students is projected to be June 2.

As always, thanks for your continued support of our students, staff and programs.

Go Cardinals!

Mr. Elwood

OPTIMIST YOUTH APPRECIATION PROGRAM

The Optimists are sponsoring a "Youth Appreciation Program" to be held on Sunday, April 23rd at 3:00 p.m. at Zion Congregational Church. Selected students in grades 7-12 who have not previously been honored will be recognized. These students were selected from nominations by their teachers. The students are to have strong moral character, good personal qualities, be positive in their approach to life, be good students, and have a strong sense of personal responsibility.

Parents of the students selected will receive a letter from the Treynor Optimist Club informing them of their students selection. This year's Optimist essay and oratory contest winners will present their winning projects. A reception will follow the program.

RACE TO REMEMBER

Race to Remember is being held on April 29. This race is to honor people who have gotten hit or were in a car accident and have passed. We are doing it this year for Tristan White. Please go to <http://www.keepkidsalivedrive25.org>. After that, please click to register. Our team is #TRISTANSTRONG. In this event you can run, walk or even skip. There is a kids run, too. It is one mile, but you do not have to run the whole thing. There is also a 5K. You can run or walk that, too. The pancake man will make breakfast after the race. There are also some fun booths you can visit. The fun will start at 8:00 a.m. Please order t-shirts if you'd like, then pick them up at our booth. Thank you to those who join us. We really appreciate it. For more information contact Lisa White, 402-670-3819, or visit <http://www.keepkidsalivedrive25.org>.

FROM THE ELEMENTARY PRINCIPAL'S DESK

March started off beautifully and definitely went out pretty soggy. Our students are certainly starting to get some spring fever. The kids had a great month and purchased books from our Scholastic Book Fair, took part in the 6th Annual Elementary Night of the Arts, and our 5th graders presented some amazing speeches for the Woodman competition.

April will prove to be just as busy with Iowa Assessments in grades 3 through 5, Kindergarten and 1st grade have upcoming music concerts, and our spring FAST testing will begin. We will also host the annual Kindergarten Roundup on April 21st.

We look forward to the warm days that April will provide and the activities that our students will take part in. As we begin to wind down the school year, please let me know if you ever have questions or concerns about your children's education. Feel free to call, email or just stop in and say hello anytime. [712-487-3422 or jkay@treynorcardinals.org]

Thanks for all of your educational support and for making Treynor Elementary a wonderful place for everyone.

April 14—17	No School—Easter Vacation
April 26	No School—Teacher Inservice
April 26	Progress Reports

Fourth quarter is here—don't let the school work slide!

Soon, students will be taking their annual spring tests. Starting on Monday, April 3, our middle school students will be taking the Iowa Assessments. The students will test at the beginning of each day on Monday/Tuesday/Wednesday of that week. (Thursday and Friday will be make-up days.) The results have been used several ways including the following:

- √ Helps the school determine any subject areas or concepts that may need more teaching emphasis.
- √ Scores for schools throughout Iowa are posted on the Department of Education's website and families moving into the area compare school's test scores when deciding which school to enroll their children.
- √ A student's individual scores help determine if he/she is making appropriate academic progress or may need additional academic support.
- √ Taking the tests prepares students to take other standardized tests, including college entrance exams such as the ACT.
- √ Test results help determine if the school has met Annual Yearly Progress goals set by the state.

Please try to make sure that your child is getting plenty of rest and eating a nutritious breakfast before heading off to school each day so they are at their best for testing.

As always, please let me know if you ever have questions or concerns. Thank you for all of your educational support!

Mrs. Berens
Middle School Principal

TREYNOR ATHLETIC BOOSTER CLUB

Thank you to the Treynor community for your support over the past year! We are looking forward to the 2017-18 year as we become the acting booster club for Treynor sports. As we look ahead, we will also be holding our first election for the Treynor Community Athletic Booster Club. Currently, there are ten board members. The proposed process will be to open five board seats for election, while retaining five current board members to assist with consistency, stability, and transition over the next year. If you would like to be considered for candidacy for the board, please contact Mike Pryor at treynorboosterclub@gmail.com as soon as possible. Elections are planned to occur at the end of April.

Here is a general idea of what is involved in being a board member of the Treynor Community Athletic Booster Club:

1. Term is two years.
2. Attend four to eight board meetings per year.
3. Assist in the disbursement of booster club funds to the athletic departments of Treynor Community School.
4. Plan and organize fundraising events and membership drives with the goal of forming committees to carry out and volunteer at these events.

If you have any questions, feel free to ask a current board member or visit our website at www.treynorboosterclub.com. See you at the election!

COMMIT TO BE FIT!

Children can improve their academic performance by altering their eating habits to include healthy snacks in their daily routines. Are you aware that kids get 42% of their daily calorie intake from snacks? By choosing healthy snacks such as fresh fruit and bite-size vegetables, kids receive nutritious boosts of energy rather than empty calories.

LAKIN OUTSTANDING TEACHER AWARDS

Charles Lakin was a well-known area philanthropist who was a native of Emerson, Iowa. He created these awards in 2008 to recognize teachers who “motivate kids to come to school each day, “ and see teaching as a calling, rather than a job. Over the last nine years, the Lakins have awarded more than \$330,000 to area teachers and their associated school districts.

This is the 10th Anniversary of the awards whose purpose is to reward and acknowledge teachers who, “entice students to come to school every day”. This year there will be 4 awards of \$10,000 each—two for elementary school teachers and two for secondary school teachers. In addition, each recipient’s school will receive \$2,500.

Eligible teachers must be certified full-time teachers or counselors currently employed in accredited Iowa schools with a minimum of three years continuous teaching experience in the same school. Nominations will be accepted through March 31 and can be made online by accessing KMA’s website at this address: <http://kmaclosings.connections.net/lakin.php>

CALENDAR CHANGE—NO SCHOOL APRIL 26

In order to accommodate the schedule for teacher training on Wednesday, April 26th, the calendar has been adjusted. Instead of an early dismissal on April 26th for teacher inservice, there will be **no school on Wednesday, April 26.** Thank you for your patience and cooperation with the schedule change which allows the teachers the needed time for their scheduled training.
