Facility Planning Update

During the month of February, architects from BDCM held programming meetings with approximately 30 district staff members that work within the facility areas identified as needing expanded. Also, a survey was distributed to all district employees to gather additional input. Now that these tasks are finished, the architects will schedule programming meetings with each of the facility planning teams in early March.

The four areas the planning teams will review are: 1) Additional high school classrooms, counseling center, office and storage spaces 2) new auditorium and fine arts classrooms 3) update gym, wrestling room, weight room and locker rooms 4) transportation facility and creation of a student pick up lane at the elementary.

Once the facility planning teams complete their programming meetings, the information will be compiled and presented during a work session to the Board of Education and Steering committee. After the programming needs of the district have been defined, conceptual design work will begin to start creating site plan and floor plan considerations. While this work is in process, Mr. Elwood is working with Piper-Jaffray to structure financing options for the Board of Education to consider.

The facility planning process will be ongoing during the entire second semester to allow for input from a wide array of stakeholders. If you have questions, or would like to get involved with the process, feel free to contact Mr. Elwood at 712-487-3414 or via email at kelwood@treynorcardinals.org.

Thanks for your continued support of our students, staff, and programs.

The Wellness Committee consists of Mrs. Lippert, Mrs. Kay, Mrs. Young, Mrs. Leaders, Mrs. Graber, Mrs. Hayes, Mrs. Schurman and Mrs. Harter. They will be taking a close look at activity and movement, nutrition and nutritional education, and other school-based activities that promote wellness. WINNERS IN OPTIMIST ESSAY CONTEST

Kyle Wesley, Jett Kellar and Amanda Driver (tied for 2nd), and Luke Clausen and McKayla Olsen (tied for 3rd) earned the top three honors in the Optimist International essay contest at Treynor High School. The topic which is determined by Optimist International was "Chasing Opportunities in the Face of Challenges". The original student essays had to have at least 700 words, but no more than 800. The individual compositions were only identified by a student number and the best entries were judged by a former retired writing teacher outside the Treynor area. First, second and third medals with lanyards were awarded to the winners along with a certificate. Kyle Wesley's first place essay is being entered in the Iowa Optimist District contest where the writer of the best essay will be awarded a \$2,500 scholarship. The winner of that state-wide contest will read his or her essay at the Optimist District Convention in May in Des Moines.

Iowa Assessment testing will start on April 3!

In a few short weeks, students will be taking their annual spring tests. Starting on Monday, April 3, our middle school students will be taking the Iowa Assessments. The students will test at the beginning of each day that week. The results have been used several ways including the following:

- √ Helps the school determine any subject areas or concepts that may need more teaching emphasis.
- √ Scores for schools throughout Iowa are posted on the Department of Education's website and families moving into the area compare school's test scores when deciding which school to enroll their children.
- √ A student's individual scores help determine if he/she is making appropriate academic progress or may need additional academic support.
- √ Taking the tests prepares students to take other standardized tests, including college entrance exams such as the ACT.
- √ Test results help determine if the school has met Annual Yearly Progress goals set by the state.

Please try to make sure that your child is getting plenty of rest and eating a nutritious breakfast before heading off to school each day so they are at their best for testing.

On a different note, if you have not looked into all of the academic and athletic social media links that our district currently has to offer, you may want to do so and sign up to receive information. All of this information can be found on the district website at www.treynorschools.org. Go to the district tab and then social media to see what is out there on Facebook and/or twitter.

As always, call or email anytime that you have questions or concerns.
