"COMMITTED TO EXCELLENCE"

NEWSLETTER

May, 2018

"District Details" ... a few notes from Superintendent Howell

The Treynor Community School District is joining other public education systems throughout the state to salute our local school board members and celebrate public education during Iowa's annual School Board Recognition Month in May.

The commemorative month is designed to recognize the contributions made by more than 2,000 local school board, community college and AEA board members, including the members of our Treynor Board of Education, who are charged with governing public education under state law.

Our school board members have been chosen by you through election to manage our district. They oversee an annual budget of \$14 million, more than 850 students, and 109 employees.

These volunteer leaders on our Treynor Board of Education also are responsible for formulating school board/system policy, approving curricula, maintaining school facilities and adhering to state and federal education law. Legal concerns and the complexities of school finance, including budgeting and taxation, require them to spend many hours in board training programs and personal study to enhance their understanding of these issues.

We don't always recognize the dedication, the time, and the hard work of these public servants elected to represent us and the interest of our children. Invite them out for coffee. Ask how you might help support them and their work. Write them a thank-you note. Let them know you appreciate what they do for our kids in Treynor.

Please join me by saying "thanks" to our school board members during School Board Member Recognition Month in May.

Amy Graber, Board President (agraber@treynorcardinals.org)
Heidi Gutttau-Fox, Board Vice President (hgutttau-fox@treynorcardinals.org)
Sally Myers (smyers@treynorcardinals.org)
Mickey Stogdill (mstogdill@treynorcardinals.org)
Brandon Vorthmann (bvorthmann@treynorcardinals.org)

Sincerely,
Lou

May is School Board Recognition Month.
Thank you!!

Special points of interest:

- ✓ Last day of school will be Friday, June 1st.
- ✓ School will be dismissed at 11:00 a.m. on the last day.
- ✓ Registration for 2018-19 will be August 1st.
- ✓ All fees must be paid and lunch accounts must have a positive balance on the last day in order for students to checkout.
- ✓ Online registration for 18-19 will be offered for the first time!

NEW!!! STUDENT REGISTRATION FOR 2018-19

In an effort to streamline the student registration process and to eliminate the need for parents to physically come to school to register their students, online registration will be available for returning students for the 2018-19 school year. This will be a significant change from the past process so please be watching for email notices containing important information.

An email notification will be sent before the end of the school year outlining the information that will be necessary to complete the online registration process. Another email notification will be sent this summer announcing the opening of online registration and how to navigate the new process. PaySchools will be used for payment for textbook fees, lunch accounts, etc. This will be the same process currently used for paying lunch accounts online and will include a credit card/ACH fee. If you do not want to pay online, payment can be made with cash or check and dropping it off on Registration Day on August 1.

New students to the district, those families without access to the technology for online registration and any parents who have experienced issues with the online process are asked to attend Registration Day at the high school building on Wednesday, August 1 anytime from 2:00 – 7:00 p.m.,. Please keep in mind that this registration time will not be staffed at the same level as in previous years and you may encounter a longer wait time.

Your cooperation is appreciated as the new registration process is implemented. This change is coming about due to suggestions from parents, faculty and staff and also because online registration is made possible

TEACHER APPRECIATION WEEK

The first week in May, May 7-11th, has been designated as a special time to honor the men and women who lend their passion and skills to educating children. Teachers play a key role in student success and sometimes a simple “thanks” is all a teacher needs to feel valued. We are very proud of our teachers and appreciate their sacrifices and support for our children throughout the year. Please take the time to celebrate your students’ teachers during this week.

DENTAL SCREENING FOR 9TH GRADE 2018-19

All incoming freshmen should have a dental screening completed by their dentist by the end of the first quarter of next school year, 2018-19. If your child is going to the dentist over the summer, please print the “dental screen certification form” from the school website, have it completed and signed. You can turn it in to Mrs. Young, MS/HS Nurse, anytime between now and before the end of first quarter next school year. Thank you for your cooperation!

FROM THE ELEMENTARY PRINCIPAL'S DESK

It's hard to believe that we are entering our final month of school for the 17-18 school year. Our students and staff have worked tirelessly all year learning and growing. Every time I step into classrooms, I'm able to see first-hand how incredibly hard everyone in the building is working.

In the last few weeks, students in grades three through five participated in the Iowa Assessments. This is a statewide assessment that all students in grades three through twelve who attend Iowa public schools must take. In our building, we took Reading, Math and Science. Results will be sent home later this month.

In addition to taking the Iowa Assessments, students also took the statewide FAST test (Formative Assessment Systems for Teachers) last week. This is a literacy test that students take in the fall, winter and spring. The FAST test measures automaticity, or the ability to read words without thinking about it on a conscious level. It also measures how well students are comprehending what they are reading.

When interpreting your child's progress this year, please keep in mind that the Iowa Assessments and FAST tests are only snapshots of progress and consideration should be given to all of the information received from the school. This may include daily work, classroom assessments, progress and grade reports and conversations during parent-teacher conferences. If you have any questions, please feel free to contact your child's teacher.

As always, if you need to contact me, call me anytime at 712-487-3422 or email at jkay@treynorcardinals.org.

Jill Kay, Elementary Principal

UPCOMING ELEMENTARY EVENTS

May 2	1:00 Early Dismissal—Teacher Inservice
May 3	Third Grade Agriculture Field Trip
May 5	K-3 Field Day at the Elementary School
May 8	Fourth Grade Battle of the Books
May 11	4-5 Track Meet at the High School, 10:00 a.m.—2:00 p.m.
May 17	Kindergarten Zoo Trip
	Kindergarten Music Program—7:00 p.m. in the West Gym
May 23	Instrument Display—6:00 p.m. at the Elementary School
May 25	Fifth Grade Picnic
June 1	Last day of school—11:00 a.m. Dismissal

K-3 ELEMENTARY FIELD DAY

The K-3 Field Day will be held behind the Elementary School on Friday, May 4th from 12:00 noon until 3:00 p.m. Parents and grandparents are welcome to attend, but lunch will not be available that day.

4-6 ELEMENTARY TRACK MEET

The 4th, 5th and 6th Grade Track Meet will be held at the athletic complex on Friday, May 11th beginning at 10:00 a.m.

NOTES FROM THE MIDDLE SCHOOL PRINCIPAL MRS. BERENS

- May 2 **Teacher Inservice—Dismiss 1:00 p.m.**
- May 3 **Fine Arts Night @ 7:30 p.m.**
- May 8 **JH Spring Concert @ 7:00 p.m.**
- May 11 **4-6th Grade Track Meet**
- May 31 **MS Awards Ceremony**
- June 1 **Last Day of School—Dismiss 11:00 a.m.**

Check out all of our current middle school activities!

I would like to share some of the things that took place over the past month and what we are looking forward to as we head down the homestretch to this school year.

We had five of our sixth graders attend the South West Iowa Math Bee in Logan. Our Treynor team received first place out of twenty-five teams, many of them being much larger districts! Those students that participated are as follows; Guy Shipley, Karson Elwood, Danny Kinsella, Chloe Pryor, and Addilyn Branson. Individual Awards were given to the Top twenty-five individuals in which Guy received first place, Danny received fourth place, and Chloe and Karson tied for tenth. Congratulations for a very good performance!

Mrs. Thompson took sixteen students to Harlan for The Battle of the Books. The sixteen Treynor students made up three teams that competed against 17 other SW Iowa teams. Team "Freezer Than Febreeze" composed of Tyler Christensen, Josie Davidson, Elsie Hrasky, Rachel Kinsella, and Payton Chapman took 4th place at the competition. Other students that participated were Norah Beekhuizen, Addy Schnepal, Addilyn Richards, Avery Dyke, Maisy Wasenius, Mira Dreyer, Aiden Kennedy, Aden Bain, Carissa Spanier, Aalanah Buckingham, and Gavin Church. This program encourages students to read at all levels!

Our teachers will be doing something a little bit different with our middle school students who are interested in competing in a quiz bowl. Mrs. Beck, Mrs. Stogdill, and Mrs. Thompson will all help this year and they state that there is a lot of interest so far. We will have 19 teams competing and those teams will be putting their knowledge to the test in either Mrs. Beck's or Mrs. Stogdill's class. Competition will take place during Card Pride from May 8th through May 15th with the final competition will be held on May 15th.

We plan to finish our year off with an Awards Ceremony celebrating accomplishments of what took place during our school year. As of now, we plan to have this on Thursday, May 31. Please check out the dates for other end of the year events that will also take place.

Thanks for all of your support and as always, please don't hesitate to call or email if you have any questions or concerns.

Mrs. Berens
Middle School Principal

THOUGHTS FROM THE HIGH SCHOOL PRINCIPAL..... MR. McNEAL

This is the last newsletter of the 2017-2018 school year and I want to congratulate our students on their many accomplishments. From championships, to state qualification to academic performance, our students excelled in many areas.

I wish the Class of 2018 good luck in all their future endeavors and want them to always remember that they will always be part of the "Treyner Nation". We are proud of your many accomplishments!

I would like to commend Joan Palmquist and the Junior Class Officers for providing an excellent 2018 Prom. Their organization and preparation was very well done! I would also like to thank the Junior Class parents for providing an excellent Post Prom experience. Their hard work will provide very many positive memories for all who attended.

The Jazz Band placed 5th in Class 2A at the Iowa Jazz Championships.

The Jazz Choir placed 4th at the 2A Iowa Vocal Jazz Championship. Sophie Showalter and Adrienne Suglia were recognized for Outstanding Musicianship.

Jack Tiarks qualified for the Drake Relays in the high jump.

Noel James, Megan Carley, Mia Shipley, Chloe Gregory and Maddie Shipley qualified for the Drake Relays in the 4x100 and 4x400 relays.

As the spring sports finish their seasons, I'm looking forward to watching them compete at their highest level. I wish them good luck on their quests to qualify for State.

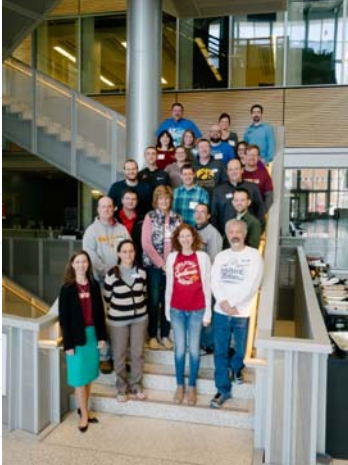

The summer sport teams will start practice soon and their seasons will begin toward the end of the month.

Upcoming Events

- April 30 Baseball begins
- May 1 Conference Track Meet @ Missouri Valley 4:00
- May 2 Conference Golf Tournament @ Atlantic 9:00
- May 3 Fine Arts Night 7:30
- May 5 State Large Group Music Festival
- May 7 Softball begins
- May 10 District Track Meet Here @ 4:00
- May 11 Boys Sectional Golf
- May 14 Girls Regional Golf
- May 15 Senior Trip to Worlds of Fun in Kansas City
- May 16 Senior Awards Night in the West Gym @ 6:00
Baccalaureate @ St. Paul's Lutheran Church 8:00
- May 17 Seniors last full day in the classrooms
State Track Meet in Des Moines
- May 18 Graduation practice @ 8:30 in the West Gym
State Track Meet in Des Moines
Boys District Golf
- May 19 State Track Meet in Des Moines
- May 20 Graduation in the West Gym @ 2:00
- May 21 Girls Regional Golf
Boys SubState Soccer
- May 30 Semester Tests
- May 31 Semester Tests
- June 1 Last day of school—Students will be dismissed at 11:00

COMPUTER SCIENCE COURSE TRAINING

Teachers representing both large and small school districts across the state of Iowa officially completed their training with [NewBoCo's Computer Science Professional Learning Program](#) earlier this month. The program, made possible through a partnership with [Code.org](#), a national nonprofit dedicated to expanding access to computer science education, provides professional development at no cost to teachers wanting to bring computer science courses to their school district.

Part of the Professional Learning Program includes a commitment to implementing the computer science course during the year that they participate in the program. The 32 teachers in the 2017–2018 cohort went above and beyond their commitment. In this school year alone, they taught 1,774 students computer science—providing access to many students that did not have an opportunity before.

“Even if a student doesn’t become a computer programmer, computer science is a fundamental part of education in the 21st century. Computer science teaches communication, problem solving, and creativity—skills necessary in almost every profession. Having access to these classes will help Iowa’s students become prepared for a future where they use technology as more than a passive consumer,” said Aaron Horn, NewBoCo Chief Operating Officer and Executive Director.

NewBoCo partnered with Code.org to launch the Professional Learning Program in 2016. At the time, [an estimated 75% of Iowa's public schools](#) were not able to offer computer science courses.

One of the major barriers most districts face is that they do not have a teacher trained to teach a high-quality computer science course. NewBoCo’s Professional Learning Program trains in-service teachers how to teach computer science—even if they don’t have a computer science background. English, business, history, in addition to math and science teachers, have successfully implemented computer science.

“I wanted to bring in computer science to our school and didn’t know where to start. Now I have the knowledge and confidence to start computer science at our small school,” said Jennifer Anderson, a teacher at Treynor High School in Western Iowa.

NewBoCo plans to expand the Professional Learning Program for the 2018–2019 school year with support from the Iowa Governor’s STEM Council through their [STEM Scale-Up Program](#). Samantha Dahlby, NewBoCo K-12 Education Coordinator and Code.org Program Manager, says they’ve received more than 100 applications from teachers across the state, and she expects to double the number of teachers participating this year.

“Funding from the STEM Council and individual donors helps us keep our promise to never pass the cost of professional development on to Iowa’s teachers,” Dahlby said.

While applications for the 2018–2019 cohort have closed, teachers and school districts wanting to implement computer science can work with Samantha by contacting her at samantha@newbo.co. Those interested in donating to support tech education and professional development for teachers can email hello@newbo.co or visit <https://newbo.co/donate/>.

“Our goal is to ensure that every school in Iowa has a certified computer science teacher by 2022,” Dahlby said.

COMMIT TO BE FIT!

- ◆ Good oral hygiene can enhance the natural beauty of your smile.
- ◆ Brush your teeth for two minutes, twice a day. Allow your toothbrush to air dry after use, because covering it could breed additional bacteria.
- ◆ Brush all parts of your mouth, including your tongue, to help keep your breath fresh.
- ◆ Replace your toothbrush every three to four months.
- ◆ Floss with an 18 inch piece of floss, using a new area about every third tooth. This way you won't be moving bacteria from one area of your mouth to another.
- ◆ A mouthwash can increase the cleanliness of your mouth also. It will help get rid of bacteria and debris that irritate the gum line and cause gums to become inflamed and irritated.
- ◆ Ensure that your diet includes calcium, which promotes strong teeth and bones. Dairy products and nuts are good sources of calcium.
- ◆ Visit your dentist every six months.
- ◆ Drink plenty of water. This encourages saliva production, which helps wash your teeth and prevent plaque buildup. Saliva can neutralize the acid in your mouth that is produced by sugar.
- ◆ Say "cheese"! Cheese increases saliva production and promotes healthy smiles!

SUMMER MEALS FOR KIDS & TEENS

Summer meals for kids and teens are being served nearby. These meals are open to all children, 18 and younger, with no enrollment and no cost. Closest locations are Bloomer Elementary, Hoover Elementary, Longfellow Elementary, Roosevelt Elementary, Edison Elementary, Wilson Junior High and Broadway Skate Park, all in Council Bluffs, or Riverside Elementary in Oakland.

To find other locations, call 1-866-3-HUNGRY or go to www.fns.usda.gov/summerfoodrocks.

USDA is an equal opportunity employer and provider.

MS/HS IMMUNIZATIONS FOR 2018-19

7th Grade

For the 2018-19 school year, the incoming 7th graders are required to have two vaccines prior to the start of school next fall:

Tdap	1 time dose	
Meningococcal (A, C, W, Y)	Vaccine received on or after age 10	

12th Grade

For the 2018-19 school year, the incoming 12th graders are required to have **2 doses of the meningococcal (A,C,W,Y) vaccine** prior to the start of school next fall, or 1 dose if received when the student was 16 years of age or older.

*****Please note: There is NO grace period of time for these immunizations and students will not be allowed to attend school unless we have documentation of the immunizations*****

NINTH GRADE ORIENTATION

Orientation for students going into ninth grade next August and their parents will be held on Wednesday, August 1 at 6:00 p.m. in the auditorium. This will include a tour, presentation of information and a time for questions and answers.

FOOD SERVICE POSITION OPEN FOR 18-19

A food service position will be open for next school year. Tentative hours are from 8:00 a.m. until 1:45 p.m. If you are interested, please complete and submit your application to Carol Leaders, Food Service Director, cleaders@treynorcardinals.org. Application forms can be found on the school website, under the District tab, and then under Job Openings. Application forms can also be picked up in the Superintendent's Office. If you have any questions, please call 712-487-3414.

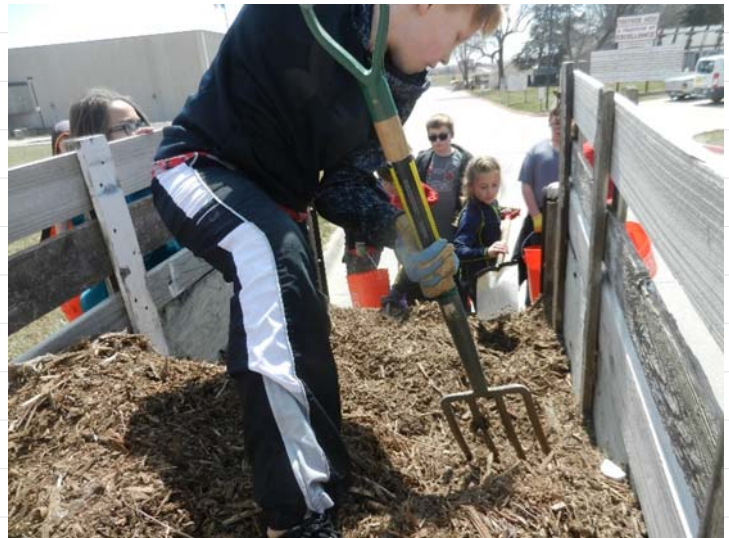

MULCH MADNESS BLANKETS TREES

60 Fifth Grade students spread over 3-tons of landscape mulch around over 100 trees at the Treynor High School campus on Tuesday, April 10. As part of their annual Arbor Day observance, the Pottawattamie Master Gardeners, and the Treynor Optimist Club volunteers organize the event annually. Typically, three or more 5-gallon buckets of mulch go around each tree. The school provided the mulch, which was delivered by Optimist volunteers and trailers. Home Depot Company donated the buckets for the kids to use to carry the mulch to each tree.

Mulch under the trees holds in moisture and cools the soil in the hot summer. This helps the tree grow faster. Mulch also discourages grass growth around the tree, which then keeps the lawn mowers away from the thin delicate bark of the tree that is their living tissue. "Mower Blight" is the leading cause of damage to new trees everywhere. Mulch is also a good use of recyclable wood material.

At Treynor, the 5th grade class mulches annually. On even numbered years, they mulch trees on the High School and Middle School campus. On odd numbered years, they mulch at the Elementary School campus. In addition to helping the trees, the activity teaches an environmental ethic about nature and caring for their own school to these Fifth Graders.

"We want to recommend this project to our neighboring Elementary Schools. The school benefits, the trees benefit, and the students learn many valuable lessons. It is not expensive and it is easy to organize and do. Contact the Extension Service about proper mulching and involve local people in the school activity." said John Klein, Treynor Optimist organizer.

ADDRESS SERVICE REQUESTED

It is the policy of the Trey nor Community School District not to discriminate on the basis of race, color, national origin, sex, disability, religion, creed, age (for employment), marital status (for programs), sexual orientation, gender identity and socioeconomic status (for programs) in its educational programs and its employment practices. There is a grievance procedure for processing complaints of discrimination. If you have questions or a grievance related to this policy please contact the principals, who serve as the equity coordinators:

Jill Kay, Elementary Principal, #2 Elementary Drive, 712-487-3422, jkay@treynorcardinals.org
Jenny Berens, MS Principal, 102 E. Main St., 712-487-3181, jberens@treynorcardinals.org

END OF THE SCHOOL YEAR FEES

Just a reminder with the end of the school year approaching—all lunch accounts must have a positive balance on the last day of school. Students who have a negative lunch balance will not be able to sign out for the year. Fees will also be due for Industrial Tech. classes and projects (check the bulletin boards in the commons for the list) and laptop repairs.

It is possible once textbooks are turned in at the end of the year that your student may be asked to pay a book fine or a book rebinding fee due to damage to a textbook.

If you have any questions or need to check on your student's fees, please call any of the school offices: Middle School, 712-487-3181; High School, 712-487-3804; Superintendent's Office, 712-487-3414.

This will be the last newsletter for the 2017-18 school year. The first newsletter for the 2018-19 school year will be available online or mailed before the end of July. It will contain information for registration and for the 2018-2019 school year.

Have a great summer!
