## *"District Details" ... a few notes from Superintendent Howell*

The Treynor Community School District is joining other public education systems throughout the state to salute our local school board members and celebrate public education during Iowa's annual School Board Recognition Month in May.

May is School Board Recognition Month. Thank you!!

The commemorative month is designed to recognize the contributions made by more than 2,000 local school board, community college and AEA board members, including the members of our Treynor Board of Education, who are charged with governing public education under state law.

Our school board members have been chosen by you through election to manage our district. They oversee an annual budget of \$14 million, more than 850 students, and 109 employees.

These volunteer leaders on our Treynor Board of Education also are responsible for formulating school board/system policy, approving curricula, maintaining school facilities and adhering to state and federal education law. Legal concerns and the complexities of school finance, including budgeting and taxation, require them to spend many hours in board training programs and personal study to enhance their understanding of these issues.

We don't always recognize the dedication, the time, and the hard work of these public servants elected to represent us and the interest of our children. Invite them out for coffee. Ask how you might help support them and their work. Write them a thank-you note. Let them know you appreciate what they do for our kids in Treynor.

Please join me by saying "thanks" to our school board members during School Board Member Recognition Month in May.

Brandon Vorthmann, Board Vice-President  
([bvorthmann@treynorcardinals.org](mailto:bvorthmann@treynorcardinals.org))

Sally Myers ([smyers@treynorcardinals.org](mailto:smyers@treynorcardinals.org))

Mickey Stogdill ([mstogdill@treynorcardinals.org](mailto:mstogdill@treynorcardinals.org))

Heidi Gutttau-Fox, ([hgutttau-fox@treynorcardinals.org](mailto:hgutttau-fox@treynorcardinals.org))

Thank you also to our two student representatives who volunteer their time to attend school board meetings: Alora Nowlin and Kyle Christensen.

Sincerely,

Lou

## STUDENT REGISTRATION FOR 2019-20

In an effort to streamline the student registration process and to eliminate the need for parents to physically come to school to register their students, online registration will again be available for returning students for the 2019-20 school year.

An email notification will be sent this summer announcing the opening of online registration and how to navigate the process. PaySchools will be used for payment for textbook fees, lunch accounts, etc. This will be the same process currently used for paying lunch accounts online and will include a credit card/ACH fee. If you do not want to pay online, payment can be made with cash or check and dropping it off on Registration Day on August 1.

New students to the district, those families without access to the technology for online registration and any parents who have experienced issues with the online process are asked to attend Registration Day at the high school building on Thursday, August 1 anytime from 2:00 – 7:00 p.m.,. Please keep in mind that this registration time will not be heavily staffed and you may encounter a wait time.

Your cooperation is appreciated as we navigate the registration process. If you have any questions, please call 712-487-3414.

## TEACHER APPRECIATION WEEK

The first week in May, May 6-10th, has been designated as a special time to honor the men and women who lend their passion and skills to educating children. Teachers play a key role in student success and sometimes a simple “thanks” is all a teacher needs to feel valued. We are very proud of our teachers and appreciate their sacrifices and support for our children throughout the year. Please take the time to celebrate your students’ teachers during this week.

## DENTAL SCREENING FOR 9TH GRADE 2019-20

All incoming freshmen should have a dental screening completed by their dentist by the end of the first quarter of next school year, 2019-20. If your child is going to the dentist over the summer, please print the “dental screen certification form” from the school website, have it completed and signed. You can turn it in to Mrs. Young, MS/HS Nurse, anytime between now and before the end of first quarter next school year. Thank you for your cooperation!

## FROM THE ELEMENTARY PRINCIPAL'S DESK

It's hard to believe that we are entering our final month of school for the 18-19 school year. Our students and staff have worked tirelessly all year learning and growing. Every time I step into classrooms, I'm able to see first-hand how incredibly hard both staff and students in the building are working.

In the last few weeks, students have participated in the Iowa Assessments. This is a statewide assessment that all students in grades three through twelve who attend Iowa public schools must take. In our building, we took Reading, Writing, Math and Science. Results will be sent home in the fall.

In addition to taking the Iowa Assessments, students are currently taking the statewide FAST Literacy and Math test (Formative Assessment Systems for Teachers). This test is given to students in the fall, winter and spring. These assessments provide teachers valuable information about each of their students and helps them to make informative instructional decisions.

When interpreting your child's progress, please keep in mind that the Iowa Assessments and FAST tests are only snapshots of progress and consideration should be given to all of the information received from the school. This may include daily work, classroom assessments, progress and grade reports and conversations during parent-teacher conferences. If you have any questions, please feel free to contact your child's teacher.

As always, if you need to contact me, call me anytime at 712-487-3422 or email at [jkay@treynorcardinals.org](mailto:jkay@treynorcardinals.org).

Jill Kay, Elementary Principal

Check out all of our current middle school activities!

I would like to share some of the things that took place over the past month and what we are looking forward to as we head down the homestretch to this school year.

We had four of our sixth graders attend the South West Iowa Math Bee in Logan. Our Treynor team received fifth place out of twenty-five teams, many of them being much larger districts! Those students that participated are as follows; Kallie Danker, Griffin Gregg, Monica Osborn, and Peter Young. Individual Awards were given to the top twenty-five individuals in which Peter received seventh place, Monica received eighteenth place, and Kallie was twentieth. Congratulations for a very good performance!

Mrs. Thompson took eighteen students to Harlan for The Battle of the Books. The eighteen Treynor students made up three teams that competed against 17 other SW Iowa teams. Team "Novel Ninjas" composed of Mira Dreyer, Avery Dyke, Maisy Wasenius, Allison Koricic, Addy Schnepel, and Lanie Petersen took 2nd place at the competition. Other students that participated were Chloe Pryor, Rylie Magill, Addy Branson, Ella Ausdemore, Anastasia Hunt, Cadence Quick, Nate Christensen, Joslyn Gutttau, Nathen Peterson, Sadie Schaaf, Clara Tiegland, and Alan Young . This program encourages students to read at all levels!

We plan to finish our year off with our annual awards ceremony celebrating accomplishments during the 2018-2019 school year. Our plan is to have this on Friday, May 31.

Thanks for all of your support and as always, please don't hesitate to call or email if you have any questions or concerns.

Mrs. Berens  
Middle School Principal

## THOUGHTS FROM THE HIGH SCHOOL PRINCIPAL.....

### MR. McNEAL

This is the last newsletter of the 2018-2019 school year and I want to congratulate our students on their many accomplishments. From championships, to state qualification to academic performance, our students excelled in many areas.

I wish the Class of 2019 good luck in all their future endeavors and want them to always remember that they will always be part of the "Treyner Nation". We are proud of your many accomplishments!

I would like to commend Marilyn Abbott and the Junior Class Officers for providing an excellent 2019 Prom. Their organization and preparation was very well done! I would also like to thank the Junior Class parents for providing an excellent Post Prom experience. Their hard work will provide many positive memories for all who attended.

Jerry Jorgenson and Jack Tiarks qualified for the Drake Relays. Jerry will run the 1600 m and 3200m runs and Jack will compete in the high jump.

Noel James, Megan Carley, Mia Shipley, Maddie Shipley and Rachel Kinsella qualified for the Drake Relays in the 4x100 and 4x400 relays.

Congratulations to Jack Tiarks for setting a new school record in the high jump and to Jerry Jorgenson in the 3200m run.

Congratulations to Kyle Christensen and Brendan Mass for being selected to the Omaha World-Herald All-Academic 1st Team for Western Iowa. They were two of the twelve students selected.

Congratulations to Kyle Christensen for being selected Academic All State by the Des Moines Register.

Congratulations to Kyle Christensen for being selected as a Governor's Scholar as part of the Governor's Scholar Recognition Program. This program is a joint effort between the Governor's Office of the State of Iowa, the Iowa High School Athletic Association and its title sponsor, Farm Bureau. The Governor's Scholar Recognition Ceremony will be held at 1:00 p.m. , Sunday, April 28, 2019 at Hy-Vee Hall in the Iowa Events Center in Des Moines.

Service learning at the Open Door Mission on April 12 provided a great lesson for each of our students which will hopefully contribute to a lifetime of giving back,

As the spring sports finish their seasons, I'm looking forward to watching them compete at their highest level. I wish them good luck on their quests to qualify for State.

The summer sport teams will start practice soon and their seasons will begin toward the end of the month.

# COMMIT TO BE FIT!

Commit to be fit (and kind)!

Kindness has been found by researchers to be the most important predictor of satisfaction and stability in life. Many colleges, including Harvard, are now emphasizing kindness on applications for admission.

To be kind you must see a need and take action. A sense of community is created when people are kind to each other.

Here are a few suggestions to get you started:

- a kind word or smile
- open a door
- help carry a heavy load
- give honest compliments
- send an email thanking someone
- tell someone how special they are to you
- help a neighbor with yard work
- refuse to gossip
- donate old clothing and toys

Do things for people, not because of who they are or what they do in return but because of who you are.  
Harold S. Kushner

# SUMMER MEALS FOR KIDS & TEENS

Summer meals for kids and teens are being served nearby. These meals are open to all children, 18 and younger, with no enrollment and no cost. Closest locations are Bloomer Elementary, Hoover Elementary, Longfellow Elementary, Roosevelt Elementary, Edison Elementary, Wilson Junior High and Broadway Skate Park, all in Council Bluffs, or Riverside Elementary in Oakland.

To find other locations, call 1-866-3-HUNGRY or go to [www.fns.usda.gov/summerfoodrocks](http://www.fns.usda.gov/summerfoodrocks).

**END OF THE SCHOOL YEAR FEES**

Just a reminder with the end of the school year approaching—**all lunch accounts must have a positive balance on the last day of school.** Students who have a negative lunch balance will not be able to sign out for the year. Fees will also be due for Industrial Tech. classes and projects and laptop repairs. Check the bulletin boards in the commons for the lists or on JMC.

It is possible once textbooks are turned in at the end of the year that your student may be asked to pay a book fine or a book rebinding fee due to damage to a textbook.

If you have any questions or need to check on your student's fees, please call any of the school offices: Middle School, 712-487-3181; High School, 712-487-3804; Superintendent's Office, 712-487-3414.

This will be the last newsletter for the 2018-19 school year. The first newsletter for the 2019-20 school year will be available online or mailed before the end of July. It will contain information for registration and for the 2019-2020 school year.

Have a great summer!
