School Board Update...

Iowa public schools are recognized as among the best in the country. One foundation for that quality is the passion and commitment of community leaders serving on public school boards. These locally elected community volunteers personify the value Iowans place on excellence in education. When you get a chance, please thank your local school board members for the time and effort they contribute each year.

The Treynor school board members for 2014-15 are: Gary Funkhouser, Jerry Hempel, Dave Paulsen, Erica Schnepel and Randy Young. On September 8th, the board conducted their annual meeting and elected officers for the year. Mr. Hempel was elected to serve as President and Mr. Young was elected to serve as Vice-President.

School board meetings will be held on the second Monday of each month beginning at 6:30 p.m. Meetings are held at the high school and are open to the public. Courtesy agendas are posted on the website for Treynor Schools (www.treynorschools.org) and published in the Gazette newspaper. The official agenda for each meeting is posted in the Superintendent's Office.

School Improvement Advisory Committee...

Each year the School Improvement Advisory Committee (SIAC) meets to review district data and provide feedback for establishing annual goals. On September 24th, a group of 53 individuals representing students, staff, parents, school board and community attended the annual meeting. In addition to reviewing data, this year's meeting also included a "student showcase" highlighting activities from each of the buildings. First, Mrs. Hrasky and two elementary students showcased a LEGO robotics program. Then, Mr. Steeve and a few middle school students demonstrated how iPads are being utilized in middle school classrooms. Finally, Mr. Rucker, along with a couple of high school students, showcased information from our Project Lead the Way (PLTW) class, Principles of Engineering.

CASH FOR STUDENTS PROGRAM

The “Cash for Students” program has begun. Hy-Vee cash register receipts dated from September 1 through December 31, 2014 will be collected in the Elementary, Middle School and High School offices. Hy-Vee gives back \$1.00 for every \$200 spent in any of the fourteen Omaha and Council Bluffs locations up to a maximum of \$2,000. Over \$403,000 in much needed funds has been donated to area schools as a result of this program.

All of our proceeds go to the Athletic Booster Club. Remember to save your receipts and turn them in to any of the school offices!

TREYNOR TO HOST STATE MARCHING BAND

Treynor will host the State Marching Band Contest on Saturday, October 18th. A number of schools will be busing in their bands throughout the day for the contest which will be held at the high school. A considerable number of helpers will be needed with the traffic flow throughout the day as spectators and buses arrive and depart.

Volunteers are needed to work morning or afternoon shifts to assist with parking if this contest is to operate efficiently, and if Treynor is to be considered as a future host every three years. If you are willing to give a half-day of your time, it would be greatly appreciated.

Please contact Jeff Schoening (487-3804) or Gary Funkhouser (487-3343) to volunteer to help on October 18th. Nearly a dozen volunteers will be needed. Glenwood and Lewis Central have hosted this contest on alternating years and Treynor would like to be included also as it is an income-producer for the local band program.

FROM THE ELEMENTARY PRINCIPAL'S DESK

We have gotten off to a fantastic start here at the elementary! September gave our students the opportunity to experience many different activities which included: Cards for Success & Morning Math drawings, 4-H Class of the Month Pizza Party, Pottawattamie County Conservation programs, 2nd Grade field trip to Arbor Day Farms, Lunch with Mr. Larsen, TS Bank/Cardinal Branch opening, and our annual Homecoming activities. October has our students looking forward to our first Accelerated Reader Cardinal Cart, 3rd Grade Field Trip to Botna Bend, Scholastic Book Fair and the change in seasons that we as Iowans have grown to appreciate.

Thanks to those of you that helped support our Accelerated Reading Cardinal Cart through the QSP magazine fundraiser. As our students are reading more and more each year, it presents a challenge to fund the purchases necessary to keep our Cardinal Cart fully stocked. We appreciate your assistance!

Just another reminder regarding Elementary Drive and parking along the fire lane. If you are going into the building for ANY length of time before 8:30 a.m. or after 3:00 p.m., please pull into a parking stall or park your vehicle down towards the east end of the building. Also, please pull over to the side of Elementary Drive when dropping off and picking up students. Remember, Elementary Drive is ONE WAY between 8:00—9:00 a.m. and 3:00—4:00 p.m. Thanks for your assistance in these matters and for helping us keep kids safe.

Feel free to stop in and say hello anytime or if you have concerns, please call or email [487-3422 or tlarsen@treynorcardinals.org] Thanks for all of your support!

We are off to a busy, but great start this school year in the middle school! Earlier this month, our students selected two boys and two girls from each grade level to be student council members. These students took part in making posters for homecoming week in our building and also plan to organize the following activities in the middle school: plan for Red Ribbon Week, coordinate some service learning projects, plan for fundraising activities during half-time of basketball games, and plan dances later in the year. Those students selected for student council are as follows: Makenzie Putnam, Reagan Darrah, Kyle Christensen, Danny Poulos, Alex Anderson, Grace Kinsella, Wyatt James, Jack Stogdill, Abby Jacobsen, Haedyn Jorgenson, Duncan Clark and Sid Schaff.

A couple of new things that we have taking place in the middle school this year are Card Pride Time and Battle of the Books. Card Pride Time is at the end of each day and we will be incorporating different activities. We plan to continue with some of the topics that were previously discussed in Cardinal Connections such as character traits, friendships, values, study habits including organization, spreading rumors, and the importance of getting good grades, just to name a few. We will also be incorporating such things as: accelerated reading time, grade check/monitoring between teacher and each student, struggling students going to get help from that particular teacher, and Olweus (anti-bullying program) implementation. Finally, this will also be a time in which various groups of students can meet so they do not miss out on class instructional time.

Battle of the Books is a fun opportunity for seventh and eighth graders to experience a variety of books, test their knowledge and understanding of what they've read and compete with other readers from area schools in Southwest Iowa. Teams of students read books from a list of 20 award winning titles and then "battle" over questions pertaining to each book. In April, the top 20 area teams will compete in the Ultimate Battle for the victor's title. We feel that this will be a great way to promote reading, but also an outlet for those students who already love to read. Good luck to our Treynor teams!

In closing, we just finished up homecoming week and all of the festivities that came with it. One event that took place was when our middle school students and teachers walked over to the elementary to spend a little time with Kindergarten through Second Graders. Middle school students were assigned elementary buddies and did several activities with them such as reading, talking, took some "selfies", and also played various games. Students and teachers at both buildings felt like this was a valuable experience so we'll try to plan to do this at least one more time this year.

As always, if you have any concerns or questions please feel free to call or stop by my office. Thanks for all of your support!

THOUGHTS FROM THE HIGH SCHOOL PRINCIPAL..... MR. NAVARA

The 2014-2015 school year is off and running! In the High School, we began the year with the staff reading and discussing a great book by Jon Gordan titled "The Energy Bus". It provides ten rules to fuel your life, work and team with positive energy in a very humorous and thought-provoking manner. We will continue to discuss this book and its' relevance to education and THS during the entire school year. Along with challenging the staff, we have challenged the student body to seize the day. We asked that the students use the phrase, Carpe Diem, within their day, to never take each day for granted and to make the most of every day.

We did have some changes at THS. Our students are now participating and taking advantage of our end of the day Card Pride time. This is a 30 minute period of time where students can receive more teacher assistance and peer assistance on school work, building leadership skills, along with the staff and students building a relationship with one another to create a more educational place. During this time, teachers are allowed to discuss missing work and grades with each of their Card Pride students to assist in our students from falling through the cracks of the educational system. Another aspect to our Card Pride time will be the learning/discussion of the Olweus Anti-Bullying/Harassment program. Teachers will be getting trained in October in the Olweus program and will begin implementing the strategies with our students.

THS has just wrapped up a successful homecoming week topped off with a sensational service learning day that we called "Pay It Forward Day". The student body canvassed the community making a difference. Some of the projects the students took part in were:

- Developed a menu, cooked and served a lunch prior to the Homecoming parade for military veterans.
- Installed and painted community library boxes.
- Improved landscaping around the Dustin Bryant Memorial by the high school.
- Cleaned grounds around the schools and for the city of Treynor.
- Organized trophies for a silent auction, the proceeds of which will be donated.
- Painted the high school weight room.
- Stocked, cleaned and organized the local food pantry.
- Installed landscaping around the Vision Treynor sign.

"Pay It Forward Day" was the brainchild of a group of Treynor teachers. It is that committee's hope that this event will springboard even more service learning opportunities for Treynor students. The day was sponsored by the following local businesses:

- * American Family Insurance, Travis Castle Agency
- * B & B's Again
- * Pickle Barrel Market

“KRAZY KAMP—THE MUSICAL”

Adam Apple, the wheeler dealer director of Camp John Smith is in trouble. He and his sidekick, Willard, are destined for “a real job” unless they get their camp in shape. But the rambunctious “gentlemen of John Smith” need a place to stay until things get put back together. Adam finally convinces Eve Hunnicutt, the manager of the girls’ fashionable Camp Pocahontas, to give the boys a home. When serene Pocahontas comes in contact with wild John Smith, this entertaining farce bursts with hilarity. Of course, no one is to know the boys are staying, including the camp’s owner, Mrs. Thistlemist.

Keeping any calm, however, is beyond reality when a parade of hilarious characters in addition to the John Smith boys wander into camp: Elmer Crumb, from the carnival with his associate, Cleopatra

Nile, who is never without her snakes, Clams Marinara, the notorious hood (who has a wild tune written about him!), the flashily-dressed Dixie, who carries a dinky pistol in a violin case, and the Mo Sisters, three ladies (?) making a celebrity visit to Camp Pocahontas. Toss in a poison ivy victim who resembles a walking mummy... that’s just for starters! Problems stack on top of each other until once charming Camp Pocahontas is declared unfit for habitation by the state inspector.

Performances are scheduled on Friday, November 7 at 7:30 p.m. and on Saturday, November 8 at 3:30 p.m. and 7:30 p.m.

FINANCIAL LITERACY NEWS

Is College Still a Good Investment?

You may have heard that student loans now top a trillion dollars or that the total amount of student loan debt surpasses the total amount of credit card debt. These numbers can be off-putting and may have you questioning whether college is still a good investment.

But It's Not All Bad News

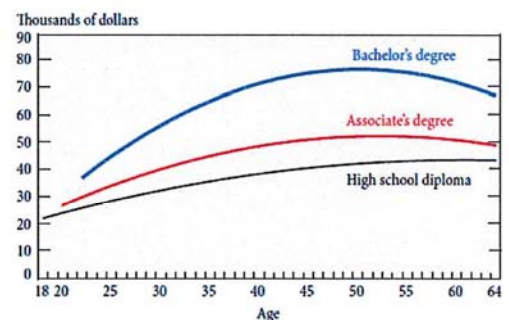

A few months ago the Federal Reserve Bank of New York wrote that attending college is still a good investment for your financial future, stating that over their lifetime workers with a bachelor's degree earn over \$1 million more than those with only a high school degree.

Additionally, students and their parents are increasingly turning to grants and scholarships to pay for college. On average this type of free money now pays for 30% of college costs, up from 25% four years ago, according to Sallie Mae. But parents and students still carry the burden. In the 2013 Sallie Mae study parents covered 36% of college costs and students covered 29% on average. Since it is still such a great investment to attend college, the trick becomes building your savings and finding as much free money as you can to reduce the amount of your loans.

5 Tips for Saving for College

1. **Start Saving as Soon as Possible** – Even small amounts of saving will build up over time and will reduce the amount of loans you have to pay back later. Two popular ways to save are through 529 plans and savings bonds. There is a lot to know when choosing a savings option.
2. **Find Free Money** – This can be the key to saving you thousands of dollars in interest you would need to pay later. There are billions of dollars available to those who put in the effort to apply. Check out StudentAid.ed.gov, go.salliemae.com/scholarship, and <https://bigfuture.collegeboard.org/pay-for-college>.
3. **Work While You're in School** – Remember that any money you can save or earn before and during college will reduce the amount of loans you need to take and save you money you would pay later.
4. **Consider Your Options** – College costs a lot. You may have dreamt about going to that Ivy League school since you were young, but can you afford it? Compare the amount you will need to pay at the colleges you get into. You may find that one school offers you more grants than another.
5. **Get Tips and Reminders to Save** – America Saves can help students and their parents keep college savings top of mind. Sign up for free text message tips and reminders by taking the Pledge to Save and choosing "Education" as your savings goal. Learn more at americasaves.org.
