ABSENT WORK (SCHOOL EVENT)

SCHOOL-SPONSORED ABSENCES

Students who are going to miss class for school-sponsored field trips or activities (such as band, vocal, and athletics) must contact instructors prior to the activity and follow their directives. All work should be completed on time and students will not be given "make up work" time. They are expected to keep up with the other students.

LATE WORK

- Allowed one assignment per semester to rework for full credit (must be finished before material is tested)
- If it is a review assignment, you have 3 days to rework
- 2nd late assignment can earn up to 50% of points back
- No late credit is allowed after those two have been used

ACADEMIC DISHONESTY

- Automatic zero
- If taken from another student, both will receive no credit
- Verbal copying is still copying
- Doesn't matter if it is one problem or every problem
- Getting answers/work online is still copying
- If you have homework questions, please ask

CHEATING

Students are expected to do their own schoolwork. Cheating by looking at another student's schoolwork, copying others' work, copying from other sources or similar cheating is not tolerated. Discipline may include one or more of the following; a "0" for the particular assignment, the loss of class credit, detention, suspension, and/or consequences of the "Good Conduct Rule."

ACADEMIC DISHONESTY
