

BOARD OF DIRECTORS' SELF-EVALUATION

Periodically, the board shall conduct an evaluation of itself. The goal of the self-evaluation is not to criticize fellow board members but rather to point out strengths as well as weaknesses.

The evaluation will focus on board policies, board meetings, education program, financial management, board members' personal qualities, and the board's relationship with the superintendent, employees, school district community, and students.

It shall be the responsibility of the board president to develop a board evaluation program.
