

PURPOSE OF NONINSTRUCTIONAL AND BUSINESS SERVICES

This series of the board policy manual is devoted to the goals and objectives for the school district's non-instructional services and business operations that assist in the delivery of the education program. These non-instructional services include, but are not limited to, transportation and the school lunch program. The board, as it deems necessary, will provide additional non-instructional services to support the education program. To the extent a group of employees has a recognized collective bargaining unit, the provisions of the master contract regarding such topics shall prevail.

It is the goal of the board to provide non-instructional services and to conduct its business operations in an efficient manner.
