Home of the Cardinals

Dear Parent/Guardian,

Homecoming is on Friday, September 13th. The day will be centered around homecoming activities for the middle school. Middle school students are in school with their teachers through the pep rally (start time 1:00pm) and parade (start time 2:00pm).

Safety is our number one priority. We need to know which students are walking back to the middle school with the teacher after the parade has concluded to get on a school bus.

_____ Yes, my child will walk back to the middle school with the teacher and ride a bus.

_____ No, my child knows where he/she is going after the parade and does not need to walk back with the teacher. My child is not riding a bus.
