

Middle School and High School On-Site Learning Plan (2022-2023)

On-Site Learning: Middle School and High School

<p>What is the plan for delivery of content/curriculum?</p>	<ul style="list-style-type: none"> • In-person classroom instruction. Curriculum focus will be on the power standards for each academic area. Teachers will reteach key curriculum concepts from prior year as needed. • Google Classroom will be used for posting of all class-related materials, assignments, and information. JMC will be used for grading and lesson plans.
<p>When is the first day of school?</p>	<ul style="list-style-type: none"> • The first day of school for students is Monday, August 23, 2021. The current school calendar can be found on the school website.
<p>Is online learning available for the On-Site Plan?</p>	<ul style="list-style-type: none"> • Online learning will be considered only for students with a medically diagnosed condition, or for students who have family members residing in the same home who have medical conditions. Families will need to complete a Request for Online Learning and provide verification from a medical doctor. The forms are available by contacting the superintendent's office.
<p>When would we use the other learning plans (online learning and hybrid model)?</p>	<ul style="list-style-type: none"> • We would use our backup plans only if state officials required another school closure or limited the number of students allowed in a school building.

Health and Safety Guidance: Middle School and High School

<p>Are students, staff, and visitors required to wear a mask at school or school activities?</p>	<ul style="list-style-type: none"> • No. Iowa law (House File 847) prohibits K-12 schools from mandating masks. Masks are optional for all students, staff, and visitors. The district will support those who choose to wear a mask. • If students choose to wear a mask, students should provide their own face mask that is comfortable and school appropriate. As needed, the school will provide disposable masks.
---	--

<p>Will students be screened prior to coming into the building?</p>	<ul style="list-style-type: none"> • No. <u>Parents/guardians are expected to complete a screening of their child(ren) at home before sending their child(ren) to school.</u> • Parents should screen for the following: fever or chills, cough, shortness of breath or difficulty breathing, fatigue, muscle or body aches, headache, new loss of taste or smell, sore throat, congestion or runny nose, nausea or vomiting, diarrhea. • Call a medical professional if symptomatic. Students should not report to school if symptomatic. • Students showing signs of illness at school will report to the nurse's office. If necessary, a parent/guardian will take their child home.
<p>What sanitation practices will be implemented in the school buildings?</p>	<ul style="list-style-type: none"> • Custodial workers will continue to sanitize and clean every classroom and common space in the school on a routine basis. We will utilize cleaning equipment such as electrostatic sprayers to disinfect classrooms. • Each classroom will have hand sanitizer and sanitation wipes to use as needed. Hand sanitation stations will be placed throughout the building. • Proper education in handwashing and sanitation will be provided for all students and staff. Frequent handwashing and hand sanitation will be encouraged. • Doors will be propped open as much as possible to allow for better airflow. • Drinking fountains will be available throughout the day. Bottle filling stations are also available, and students are encouraged to bring their own water bottles from home.
<p>What happens if a student or school employee tests positive for COVID-19?</p>	<ul style="list-style-type: none"> • Students and staff who are Covid-19 positive will need to isolate for 5 days and return on day 6 wearing a mask; or isolate for 10 days. Students who have been exposed to a Covid-19 positive individual will not be required to quarantine. • The Iowa Department of Public Health (IDPH) updated its guidance to recommend that schools approach Covid-19 like other childhood diseases.

	<ul style="list-style-type: none"> • The IDPH adjusted Covid-19 surveillance to follow the influenza model. Therefore, the IDPH is asking K-12 schools to report when greater than 10% of students are absent due to illness (calculated per building). When greater than 10% absenteeism is reported, IDPH will contact the county health department to assist and support the school district with an appropriate response. • Due to the changes noted above, including the law prohibiting mandatory mask usage, Treynor School staff will not be contact tracing to determine close contacts. • The school district will continue to monitor attendance rates and illness of students and staff. As needed, school personnel will be in close contact with Pottawattamie County Public Health as we monitor and respond to Covid-19 in the school setting.
<p>Will the school district make adjustments to the on-site plan?</p>	<ul style="list-style-type: none"> • The school district will continue to monitor and review guidance from the Iowa Department of Public Health, the Pottawattamie County Health Department, the Iowa Department of Education, and the Governor’s Office. • The school district will make adjustments to the on-site plan as deemed necessary to continue in-person instruction throughout the school year. As in the past, we will communicate any changes to parents and staff through email and social media.
<p>Other General Guidance: Middle School and High School</p>	
<p>How will breakfast and lunch protocols be handled?</p>	<ul style="list-style-type: none"> • All middle school and high school students will use the cafeteria/commons for breakfast and lunch.
<p>Will visitors be allowed to come to the school?</p>	<ul style="list-style-type: none"> • Visitors that are deemed necessary for school function will be allowed to enter the school building. Parents may report to the office(s) as needed during the school day.

Elementary On-Site Learning Plan (2022-2023)

On-Site Learning: Elementary School

What is the plan for delivery of content/curriculum?	<ul style="list-style-type: none">• In-person classroom instruction. Curriculum focus will be on the power standards for each academic area. We will prioritize reading, math, and social-emotional learning. Teachers will reteach key curriculum concepts from prior year as needed.• SeeSaw (K-2) and Google Classroom (3-5) will be used as needed for posting of all class-related materials, assignments, and information.
When is the first day of school?	<ul style="list-style-type: none">• The first day of school for students is Monday, August 23, 2021. The current school calendar can be found on the school website.
