Dear Parent, Guardian, Educator:

At the high school post prom party this April, Hypnotist Arthur Fratelli will be delivering a presentation to the students, staff, and volunteers. The stars of the show will consist of volunteers from the audience who will be hypnotized. This show will be fun, entertaining, and in good taste.

There are no dangers in hypnosis, as it is a normal, natural state of mind we experience every day. When you daydream, you are hypnotized; you are in an altered state of awareness and always aware of what's going on; you are NOT unconscious.

This is an event sponsored by the high school and for the students attending which we require parental and teacher/educator consent for students to participate.

Parent/Guardian please sign your initials inside the box and sign below the form and have your child keep it in his/her possession and bring to the post prom.

Parent/Guardian Initials

I hereby give permission for the hypnotist to hypnotize my child at the post prom and further agree to release the school, the stage hypnotist and Amazing Arthur Entertainment LLC from any and all liabilities arising out of this event. I also give my permission for my child to be videotaped during the hypnosis show.
