Great Effort: Eddie, Colton & Charlize

### **Monthly Genre!**

Grade: 5th Grade  
Class: Mrs. King's 5th Grade  
Great Effort: Harper, Macoy & Abby

## Elementary News

This month's 4th grade music program is based on the book *Snowflakes Fall* by Patricia MacLachlan and Steven Kellogg. There will also be the 5th grade band concert and music program based on the book *A Loud Winter's Nap* by Katy Hudson. Both will be at the high school in the auditorium. The grades have worked hard on preparing for their performances. On December 22, there is going to be an early out for the end of first semester. Winter break will begin on Dec. 22nd. Now that it is getting colder, we ask you to make sure children are dressed appropriately for the cold weather. We are outside if the temperatures are above 15 degrees. Dress up days will take place December 12th-21st. Watch for more details to come. Continue working hard on completing the reading challenges Mrs. Nelson offers. This helps promote the love of reading.

## Dates to Know

- **Dec. 7th, 14th & 21st**-Early Outs
- **Dec. 6th, 13th & 20th**-TS Bank Days
- **Dec. 5th**-5th Grade Music/Band Concert
- **Dec. 15th**-4th Grade Music Concert
- **Dec. 22-Jan 5** Winter Break

## Specials

Mr. Stinman will be holding the 4th music concert on Dec. 15th. The 5th Grade music/band concert will be held on Dec. 5th.

Mrs. Campbell will have fitness testing for 4th & 5th graders. She is also doing the Fastest Class Challenge for all grade levels.

Miss Weis will be working with clay with all students during their art classes.

## Extras

Mrs. Currin will be focusing on generosity and gratitude in her December lessons.

Mrs. Nelson will continue the library reading challenges each month.

Mrs. Endriss will be doing some fun Christmas themed STEM projects. Fifth Grade writing enrichment will finish and submit their Flag Essays for the American Legion. Reading groups will all start new books.

## Kindergarten

*Kindergarten will be working on the rest of the letters and sounds, and learning lots of sight words. Also, how to sound out words while reading. They will also be learning how to write numbers 1 through 20. The students will also be meeting up with their 5-grade reading buddies in December. Christmas is an important time for Kindergarten. They will be doing Christmas fun and crafts on December 22nd.*

By: Mia Mauer And Macoy Mundorf

## Third Grade

**The third grade will be learning about multiplication and division in math, and about immigration in social studies. In writing, they will be working on opinion pieces. They won the library book challenge in October for reading the most mysteries!**

By: Samuel Anderson and Pierce Walker

## First Grade

Some exciting things they are learning about in first grade are the moon and stars in science. In math they are learning about being more flexible with numbers to add and subtract within 20! This month they are doing some fun homework things that are getting sent home each week! Keep reading and practicing math facts.

By: Charlotte Duey and Bristol Thompson

## Fourth Grade

In math, students will be working on place value in fractions from the hundredths to hundred thousandths. In writing they will continue working on informational writing. While in writing they are also enjoying the student teacher, Miss Baudler. In science and SS students are learning about sound, waves, and communication. In STEM they will be saving Santa's Sleigh.

By: Victor Williams and Korver Pitt

## Second Grade

THIS DECEMBER IN MATH, SECOND GRADE IS LEARNING ABOUT MEASURING. IN SCIENCE THEY ARE STARTING THEIR WATER WORKS UNIT. THIS MONTH THEY WILL ALSO BE HAVING THEIR CHRISTMAS PARTY.

By : Breclynn Leick and Ellie Saar

## Fifth Grade

**THEY WILL BE WORKING ON THE CONSTITUTION AND WILL CREATE A CLASSROOM MUSEUM IN SOCIAL STUDIES. DURING CHRISTMAS BREAK THEY WANT TO GET THE STUDENTS TO READ DURING "DOWN TIME" THEY HAVE. THEY ARE DOING DIVISION OF FRACTIONS IN MATH. THEY WILL BE WRITING AN INFORMATIVE PIECE ABOUT MONUMENTS IN WRITING, ALONG WITH MAKING A GOOGLINK TO SHARE THEIR RESEARCH.**
