Issue No. 7 | Summer 2022

Elementary News

First of all there will be a new superintendent, his name is Dr. Joel Beyenhof. Dr. Beyenhof comes to Treynor from Lewis Central.

Expect to see some new faces at the elementary next year. Mrs. Pearce (4th grade math teacher) will be moving up to 7th and 8th grade math. With her leaving, expect to see a new teacher in the building when we return. Mrs. Boswell is also leaving, so expect to hear a new voice on the phone and see a new face next year in the office. We also said goodbye to Penny and Jess in the kitchen. Give new staff a warm Treynor welcome next school year!!!

Make sure you watch for details on *Meet the Teacher Night*.

Also, make sure you check the school website for the school supplies list.

Thank You!!

Thank you to all of the teachers and staff that work at Treynor Elementary. We would like to give a shout out to Mrs. Pearce since she is going to 7th and 8th grade math. We will see you over there!!

We would also like to give a bit more thanks to the janitors and the cooks. The cooks provide the school with meals. Mr. Weis and Mr. Graham do a lot to keep the school clean.
