Elementary News

The 2022-2023 school year has taken off with a great start. We are excited to be back in the classrooms with our students. It has been fun over the last couple of weeks to watch the school transform into a vibrant community again. Walking the halls to the sound of children talking, laughing and learning is awesome! We will continue to put out this newspaper on a monthly basis, but are still working on who the 4th Grade “Staff” will be. Stay tuned to next month’s edition to see the hard work the students put into this newspaper each month.

The first day to deposit is September 20th.
