What To Expect at Night of the Arts

Night of the Arts is an open house event where you and your families are invited to come to the elementary school and see all the incredible artwork and fantastic performances that the students have worked on this school year. Some things to see would be the artwork made by students throughout the hallways, wonderful grade level performances put on by Mr. Stinman in the gym, the glow in the dark gallery, clay projects, and lastly JTW will be providing an ice cream social.

Free will donations will be accepted to support the Treynor Elementary art and music programs. We can't wait to see you!

We STRONGLY recommend carpooling to Night of the Arts if possible! There is limited parking at and around the elementary school.
